177th ANNUAL REPORT

Town of Wakefield

Wakefield's famous 1907 Amoskeag
horse-drawn steam fire engine.

1988

On The Cover

The Annual Firemen's Muster held on the lower Common in June found fascinated youngsters enjoying a touch of yesteryear as they examined the 1907 Amoskeag pumper. Queen of the department in its day, it was pulled by a team of powerful horses and was capable of pumping 600 gallons per minute. This was Wakefield's second steam fire engine bought at a cost of \$5325. It continued in service until 1912 when the first motorized apparatus was purchased. Kept in storage, it was used to pump water during a dry spell in 1930. Over the years volunteers have refurbished the engine and it has been a favorite in parades and exhibits. The photo below shows the steamer and the department leaving Central Fire Station with ladder wagon in the background leading the way to an alarm about 1910.

VOTING IN WAKEFIELD, ELECTIONS AND POLITICAL ORGANIZATIONS

Prepared by the League of Women Voters .

To Be a Voter, a Person Must Be

an American citizen (native-born or naturalized)
18 years or more in age
a resident of Massachusetts
a resident of Wakefield

To Register as a Voter, a Citizen Must

appear in person before an authorized Registrar of Voters

When and Where to Register

9:00 A.M. to 5:00 P.M. Monday through Friday in the Town Clerk's office. 7:00 to 8:00 P.M. Tuesday evenings in the Town Clerk's office by appointment. Or at especially designated places in precincts, within two weeks of the closing of registration, scheduled by Board of Registrars and announced in the Wakefield Item.

One can register to vote at any time except on election days, but to vote in the State or Presidential Primaries or State Election one must register at least 28 days before the date of the election and at least 20 days prior to the Town Election.

Registration is permanent unless a voter moves to a new city or town or changes name by marriage. However, failure to respond to the Annual Census may result in being dropped from the list of Registered Voters, per Chapter 51 — Section 4. A voter, moving from one precinct to another within the town, should immediately notify the Registrars of the changes to assure being able to vote in the new precinct, otherwise he must vote in his former address.

Registrations are administered by the Board of Registrars. The Board is composed of three citizens, appointed for three year terms by the Board of Selectmen, and the Town Clerk, who by virtue of her office, serves as clerk of the board.

Polling Places

1. Precinct 1 — Masonic Lodge
2. Precinct 2 — Atwell-Junior High School Gym
3. Precinct 3 — Franklin School
4. Precinct 4 — Greenwood Fire Station
5. Precinct 5 — West Side Social Club
6. Precinct 6 — West Side Social Club
7. Precinct 7 — Dolbeare School

Local elections are held annually on the last Tuesday of April to elect certain officials and members of boards for their respective terms.

Local elections are non-partisan. Write-ins are permitted, and absentee voting is allowed in local elections.

To Become a Candidate for Local Office a Citizen Must . . .

be a registered voter

secure nomination papers from the Town Clerk (one set of papers for each office to appear on the ballot)

obtain signatures of 50 registered voters

*submit nomination papers with the Board of Registrars for certification 42 days before the Town Election. File with the Town Clerk by 5 p.m. on the 28th day before the Town Election.

This places the candidate's name on the ballot officially, providing the papers are properly certified

The Town Clerk administers elections. The Board of Selectmen annually in August appoints election officers to supervise voting at the polls. These include seven wardens and seven clerks.

To Join a Political Party . . .

A voter must declare his party choice as he enters the polls to vote in the primary elections.

To Change or Cancel Party Enrollment . . .

A voter may either appear in person or use the postal system to change his Party Designation. This may be done any time.

A party member is eligible to be a delegate to his party conventions. Membership on the town Democratic and Republican Town Committees is determined by ballot every four years at the Presidential Primary. A non-party member is called an "un-enrolled" voter.

The Annual Report of the Town Officers is published each year and is available at the time of Town Meeting and also at the public library. The report includes all financial data pertaining to the costs of town operating expenses.

Procedure of Town Meeting . . .

The Moderator, an elected town official, presides at town meetings. He begins by reading the call for the meeting. Usually a motion is made to waive further reading of the warrant (with the exception of the constable's return which the law demands be read) and the motion is carried. Articles in the warrant are taken up in order as they are printed in the warrant unless it is requested by a two-thirds vote that they be taken up otherwise.

The recommendations of the Finance Committee are given before voters discuss or act upon an article. For the annual town meeting, these recommendations are available a week to ten days before the meeting in booklet form, called "Annual Appropriations," and may be obtained at the Selectmen's Room at Town Hall.

Following the Finance Committee's recommendations or the recommendations of such department as may be permitted to make recommendations, the sponsor of the article is usually allowed to present his case. The voters may then debate the question according to rules of parliamentary procedure prescribed by the town's bylaws such as:

—Stand, address the moderator, give name and address clearly, confine remarks to the question under debate and avoid personalities.

—Speak for not more than 10 minutes at any one time, unless granted permission by the meeting. No voter may speak more than once on any question if other voters desire to be heard, and no voter may speak more than twice on the same question without permission of the meeting.

—Speak not more than two minutes on any one of the following motions:

Motion to adjourn

Motion to lay on the table

Motion to take from the table

Motion to put the previous question

(These motions only are in order when a question is under debate. Total time allowed for debate on each motion is six minutes.)

A two-thirds vote of the assembly is necessary on a motion which requires a bond issue. A vote may be reconsidered at the same session or at adjourned session upon two-thirds vote of the assembly. The Moderator may request a voter to put his motion in writing. Should seven voters doubt the accuracy of the Moderator's count of hands on a motion, tellers are appointed to make the count. The Moderator clarifies motions when they are especially complex.

Conduct at the town meeting is further governed by the rules of practice, that they are pertinent to town meetings, in Cushings' Manual of Parliamentary Procedure.

The Town Meeting Warrant and the Annual Report*

The warrant is composed by the Selectmen, with articles being entered by request or petition. Individual voters may have an article inserted by petition. The Selectmen receive all petitions for the warrant, except those having to do with sidewalks, drainage, sewers and streets which must be submitted to the Board of Public Works. Signatures of ten or more registered voters are required on articles for annual town meetings; 100 signatures are required for articles filed by citizens in warrants for special town meetings. Signatures on petitions must be substantially as the voters' signatures appear on the voting list. Voters may request the advice of the Town Counsel in drawing up an article. Customarily, public announcement is made of the opening and the closing dates of the warrant. Citizens, however, may take their petitions to the Selectmen at any Board meeting during the year and the Selectmen will hold such articles for insertion in the warrant for the next town meeting. Department heads enter their articles by the process of request.

*Town Meeting Warrant — A collection of articles presented by departments, committees and voters for consideration by voters at an annual or a special town meeting.

Report of the Board of Selectmen

At the Board's organizational meeting, following the Town Election in April, Charles R. Curley was elected Chairman, and Paul V. Wheeler was elected Secretary. The other members of the Board are William F. Cass, Thomas A. Mullen, and James M. Scott.

The powers, duties and responsibilities of the Board of Selectmen are broadly diversified in hundreds of sections of law applying directly to Selectmen.

The Town operates under the Board of Selectmen — Executive Secretary plan of municipal administration; which plan maintains the Selectmen in their traditional role as the elected directors of the municipality and provides for an administrator to carry out administrative assignments within a policy framework established by the Board of Selectmen.

The broadly diversified powers, duties and responsibilities of the Board of Selectmen affect the functioning of all Town departments, and central coordination is essential to an effective and efficient municipal administration.

The necessity for effective liaison and representation between the Town, the Federal Government, the State Government, and metropolitan agencies continues to be increasingly complex and demanding. The Town's active participation is necessary to the Town's responsible representation in an area of significant socioeconomic impact.

The Fire and Casualty Insurance Program which extends to all municipal departments, and provides for various types of required protection, amounted to a premium cost of \$368,631. The Workers' Compensation Insurance Program extends coverage to all insurable departments of the Town at a premium cost of \$273,882.

The Group Insurance Program of medical, surgical, hospitalization, and life insurance benefits, authorized for Town employees by referendum action in March, 1958, and extended to cover employees who retired after original acceptance of the legislation, which provided group insurance benefits to Town employees (Chapter 595, Acts of 1959), continues to present the best features of any plan of protection for Town employees. There are presently 402 active employees, 189 pensioners, and 103 optional medicare members in Blue Cross/Blue Shield; 644 active employees, and 311 pensioners in the life insurance program; 156 active employees, and 8 pensioners in the Harvard Health Maintenance Organization. The gross premium cost amounts to over \$3,107,270, of which amount the Town contributed \$439,418.

Chapter 763 of the Acts of the year 1965, became effective on February 16, 1966, which constituted enactment of collective bargaining for municipalities. Municipal employers are prevented from (a) interfering with the right of employees to organize for the purpose of collective bargaining, and (b) dominating or interfering with any employee organization, (c) discharging or discriminating against any employee who testified before the State Labor Relations Commission on a specific proceeding, (d) refusing to bargain collectively in good faith with a designated exclusive bargaining agent, and (e) refusing to discuss grievances with the bargaining agent. The statute states "the municipal employer shall be represented by the Chief Executive Officer, whether elected or appointed, or his representative or representatives." It has been determined that the Board of Selectmen is the Chief Executive Board in towns for the purpose of this statute, except as to School Department personnel. This legislation continues a costly and complex impact on municipal administration in Massachusetts.

Chapter 1078 of the Acts of the year 1973 has identified municipal labor contract negotiations as a matter of serious fiscal consequence. The Board of Selectmen has long recognized the necessity for professional representation at the bargaining table, and has continued to engage specialized legal services in this important relationship.

The Board observed with regret the deaths of the following active and retired employees:

Margaret Brady — 1/5/88 — Retired from Selectmen's Office
 Vito Perna — 1/24/88 — Retired from School Dept.
 Mary E. Sullivan — 3/1/88 — Survivor of Daniel Sullivan, Firefighter.
 Evelyn C. Henderson — 4/2/88 — Retired from the Library Dept.
 Grace M. Joyce — 4/24/88 — Survivor of Walter Joyce, D.P.W.
 Anna M. Anderson — 5/13-88 — Survivor of Arthur Anderson, D.P.W.
 Marion E. Alden — 6/9/88 — Survivor of Walter Alden, Light Dept.
 Alfred Delaney — 8/1/88 — Retired from School Dept.
 Harold Butler — 10/1/88 — Retired from D.P.W. — Water
 William Muse — 11/2/88 — Retired from Light Dept.
 Margaret Moore — 12/2/88 — Retired from School Dept.
 Agnes Bilicki — 12/6/88 — Survivor of John Keaney, School Dept.

Appointments made by the Board of Selectmen at the organizational meeting on May 10, 1988 include the following:

Building Inspector — David D. Cardillo
 Wire Inspector — Robert S. Riley
 Sealer of Weights & Measures — Pasquale J. Carisella
 Plumbing/Gas Inspector — Frederick J. DeVries
 Fire Inspector — Walter V. Maloney, Jr.
 Lock-up Keeper — William R. Connors
 Constable — William R. Connors
 Clerk to the Board of Selectmen — Mary K. Galvin
 Special Police Officer — J. Merritt Wenzel
 Fence Viewers—Sabatino Benedetto, F. Michael Nardone, John W. Moccia, Jr.
 Dog Officer/Animal Inspector — Kenneth J. Stache
 Director of Civil Defense — William P. Hurton
 Sweetser Lecture Committee — Current Board of Selectmen
 Committee on Election Procedures — John J. McCarthy, Mario L. Simeola, Esq.,
 Chairman Board of Selectmen
 Certified Weighers — Paul Taylor, Stephen Cox, Kevin LaRocca, Robert Brennan,
 Ronald Ward, Cynthia White
 Veterans' Services; Agent, Care of Veterans' Graves, Burial Agent —
 Barbara D. Conrad
 Conservation Commission — Frank J. Luciani, Jr.
 Board of Appeals — Richard D. Ellis, James H. Sen (Alternate)
 Bldg. Code Board of Appeals — James H. Sen
 Council on Aging — Delia Giuffre, Florence Timmons, Loretta M. O'Brien,
 Marguerite Buckless
 Recreation Commission — George E. Koulouris, Robert C. Bisacre
 Registrar of Voters — Eugene Sylvester
 Cable TV Advisory Committee — Ronald J. Mikol, Elinor C. Klasky, J. Edward
 Surette, III
 Andrew Arsenault — Certified Weigh Master

Elizabeth Conlon — Certified Weigh Master
 John Shevlin — Recreation Commission
 Yvonne Scott — Sweetser Lecture Advisory Committee
 Susan Keough — Substitute Traffic Supervisor
 William Berggren — Board of Registrars
 Robert Bisacre — Alternate, Board of Appeals
 Lorraine Hinds — Poll Worker — Precinct 5
 Lawrence M. Owen — Poll Worker — Precinct 4
 George Thistle — Temporary Police Sergeant
 Rosemarie Racamato — Substitute Traffic Supervisor
 John J. MacKay, Jr. — Police Lieutenant
 J. Edward Surette, III, Esq. — Fair Housing Partnership Committee

At a joint meeting with the Wakefield Housing Authority, Christine Beagan was elected to the Housing Authority.

At a joint meeting with the School Committee, Constance Cardillo was elected to the School Committee.

The following resignations were accepted with regret:

Gene Giuffre — Conservation Commission
 Nancy M. Smith — Council on Aging
 Mary Sweeney — Board of Commissioners of Housing Authority
 Walter V. Maloney, III — Firefighter
 William J. Boodry — Recreation
 Kenneth J. Stache — Fair Housing Partnership Committee
 Florence C. Timmins — Council on Aging
 Thelma E. Rennard — Board of Registrars
 Walter A. Howlett — Board of Appeals
 Atty. Deborah Sawin — Fair Housing Partnership Comm., Town Planner
 Steering Committee

The Board approved the following rates for temporary loans in anticipation of tax revenue, state and/or federal grants or reimbursements for Chapter 90 construction:

6.35% on \$95,000., 6.00% on \$500,000., 5.76% on \$250,000., 5.85% on \$750,000.

Subsequently, the following were also appointed:

Nancy Dwyer — Substitute traffic supervisor
 John T. McCune — Police Officer
 William T. Higgins — Police Officer
 David Morales — Police Officer
 James M. Scott — Police Officer
 Clifford A. Perry — Police Officer
 Roger Halvorsen — Conservation Commission
 Robert Brennan — Certified Weigh Master
 Town Planner Screening Committee — Sel. William F. Cass, Wayne Tarr,
 J. Edward Surette, III, Esq., Frank J. Luciani, Jr., Atty. Deborah Sawin,
 Katherine Maloney, Neil O'Neill, Arnold K. Canner
 Thelma E. Rennard — Temporary Town Clerk

M. Kent Fletcher — Board of Directors of Mystic Valley Elder Services
Richard Chanley — Poll Worker Precinct 4
Harry Kasbarian — Poll Worker Precincts 4
Walter A. Howlett — Building Inspector

Report of the Wakefield Historical Commission

The Historical Commission focused much of its efforts through the year on the Multiple Resource Nomination, the process used to nominate 161 homes, monuments, and other historic sites in town to the State and Federal Registers of Historic Places. Much research and paperwork preceded a public hearing in August at the Americal Civic Center after which the nominations were presented to, and unanimously accepted by, the Massachusetts Historical Commission. Funding shortages have delayed processing by their staff, but it is hoped that the nominations will be forwarded for review by the federal authorities this spring.

Work on the Ice House Report was completed; it will shortly be published and copies made available to the public.

The Commission sponsored two articles at the annual town meeting. The first introduced a new Demolition Bylaw that makes it possible for the Historical Commission to require a delay in the demolition of a historically significant building in order to investigate alternate courses of action. The other set aside \$20,000 for repairs needed to the Hartshorne House roof.

Finally, members of the Commission pushed forward through the year with developing an Oral History video program and with surveying the Old Burial Ground on Church Street.

Respectfully submitted,
PETER SCOTT, Chairman
MICHAEL KILKELLY, Vice Chairman
NANCY BERTRAND, Secretary
ANN GILLIS
CARLA JEAN GIVENS

NEIL O'NEILL

Report of the Board of Appeals

The Wakefield Board of Appeals, a quasi-judicial body, operates under the Zoning Bylaws of the Town of Wakefield and under Chapter 40A of the General Laws of the Commonwealth of Massachusetts. The Board is comprised of three members and three alternates, all appointed by The Board of Selectmen.

During the year 1988, the Board of Appeals acted upon a total of 53 Petitions. The Petitions included requests for variances, Special Permits, and Sign Permits. In addition, the two Petitions filed under Chapter 40B in 1987 for Comprehensive Permits for the construction of condominium units in accordance with the Massachusetts Housing Partnership-Home Ownership Program, were reheard by the Board of Appeals. Agreement was reached with each of the developers, and Comprehensive Permits were granted to Meadowview Estates and the Erica S. Partnership. Also after a rehearing, the Board of Appeals issued a Special Permit to Charles and Margaret Bonito for the construction of a multi-family residence on Ballister Street.

The regular members of the Board of Appeals for the year 1988 were: Attorney Mark M. Curley, Chairman; Franklin J. Fotino; and Richard Ellis. Alternates were James E. Caffrey, Alternate Chairman; James H. Sen; and Walter Howlett. Mrs. Ethel Bisacre served as Secretary.

Respectfully submitted,

MARK M. CURLEY, Chairman
JAMES E. CAFFREY, Alternate Chairman
FRANKLIN J. FOTINO, Member
RICHARD ELLIS, Member
JAMES H. SEN, Alternate
WALTER HOWLETT, Alternate

Report of Wakefield CATV Advisory Committee

This Committee is appointed by the Board of Selectmen to review the contract between Warner Cable Communications and the Town. The Committee's responsibility is to oversee Cable TV issues on behalf of the Town and the subscribers to Warner Cable, including rates, public and educational access and to assist in programming decisions.

The Committee maintains P.O. Box 1710 in order to receive subscriber complaints and mail concerning public access programming. Warner reported approximately 5900 subscribers in December, 1988.

Subject to approval by the Board of Selectman, the Committee disburses funds for various projects and equipment from the Local Programming Fund, this Fund receives \$15,000.00 in a lump sum each year from Warner.

1988 began with a rate increase. 1989 will begin with another.

The Committee met fifteen times in 1988. The primary concern of the committee was preparation for the transfer of the Water Street Public Access Studio from Warner to the Town through a proposed non-profit corporation or town entity. In March, 1988 the Committee met with the Board of Selectmen and was given a directive from them to arrange a transfer of the public access studio from Warner to the Town that would maintain, if not improve, public access in Wakefield. In order to achieve this goal, there must be a transfer of the operations from the Water Street Studio to Town owned, rent-free premises. The Committee reviewed many options in preparation for a transfer.

During the Summer of 1988 the School Department proposed combining the educational and public access studios at the high school. After many meetings with liaison to the School Committee and the School Department, the Committee voted in favor of this proposal. On November 15, 1988 the Committee met with the Board of Selectmen and the School Committee and presented the proposal for the combined studios. It is still under consideration.

In the Fall of 1988 Warner added two pay-per-view channels to their service, along with TNT, TURNER NETWORK TELEVISION. Warner began the process of modernizing the system by adding new converter boxes to make Wakefield fully addressable.

Report of the Personnel Advisory Committee

The Personnel Advisory Committee (PAC), established in 1978, presently consists of five members appointed by the Moderator.

The PAC's role is to provide personnel policy recommendations and guidance to the Board of Selectmen and the Personnel Administrator as well as reviewing policy guidelines with respect to collective bargaining.

The Committee continues its active involvement in the Town's collective bargaining process. The Town of Wakefield, excluding Schools, negotiates with seven employee unions representing more than 90% of the total eligible Town employees.

Respectfully submitted,

Personnel Advisory Committee

Report of the Town Planning Board

The Planning Board is an elected five member Board. It has jurisdiction over the subdivision of land and the regulation of the use of land. It is also charged, by the Massachusetts General Laws, with engaging in long term planning.

As in 1987, the Planning Board was extremely active in 1988 dealing with a variety of significant issues in addition to its more routine responsibilities.

The Board held 21 regular meetings and 11 public hearings; it approved 2 preliminary subdivision plans, 6 definitive subdivision plans and 20 subdivision approval not required plans. Acting as the Board of Survey, the Board approved 1 board of survey plan. Additionally, the Board rejected 7 preliminary subdivision plans and 1 subdivision approval not required plan.

In January the Board unanimously voted to adopt a completely revised Master Plan for the Town. The Board appointed John Halliday consulting engineer in January.

With the able assistance of John Brown Associates of Cambridge, the Board completed working on a complete reorganization and modernization of the zoning bylaws in February. The Board sponsored and secured passage of the new bylaw at the Annual Town Meeting in May.

After several special meetings held in July, the Board approved, with several

stringent conditions, the subdivision plan submitted by the Beal Interests for a large commercial development planned at the American Mutual site at the head of Lake Quannapowitt.

The Board appointed Donald Onusseit consulting engineer in July after a change in employment required the resignation of John Halliday. The Board wishes to thank Mr. Halliday for his excellent service and advice.

In the annual Town Elections, Mr. Richard G. Phipps was elected to a five year term and Attorney J. Edward Surette, III was elected to a one year term. At its reorganization meeting, Attorney Surette was unanimously elected to serve a second consecutive year as Chairman, Attorney Judith Babb was unanimously elected to serve as Vice-Chairman and Mr. F. Michael Nardone was unanimously elected to serve as Secretary. The board voted to reappoint Ms. Linda Donaldson to serve as Clerk.

In November and December, the Board began working on site plan review regulations and the location of the multiple residence zoning districts in Town.

Respectfully submitted,

Town Planning Board

J. EDWARD SURETTE, III, Chairman

JUDITH S. BABB, Vice-Chairman

F. MICHAEL NARDONE, Secretary

Report of Conservation Commission

The Commission held 41 formal meetings during the year and reviewed 18 new wetlands filings as well as various revisions and amendments to existing petitions submitted to the Commission under the Massachusetts Wetlands Protection Act. Public Hearings are held on all petitions and the wetlands concerns of abutters are carefully considered by the Commission before issuing Orders of Conditions. One project is currently under appeal by the D.E.Q.E. submitted by the developer.

Numerous site visits (about 50) were conducted by Commission members throughout the year preliminary to issuing Orders and Compliance Certificates. Telephone complaints from residents are followed up, and Orders monitored during the construction period when problems arise.

Three enforcement orders were issued during the year and four negative determinations of applicability.

The Commission joined the Stoneham Conservation Commission in reviewing a project bordering on Crystal Lake; also recognized the concerns of the Saugus Conservation Commission and the Golden Hills Association (Saugus) in reviewing an ACEC project (designated as an area of critical environmental concern in 1987 by the State Secretary of Environmental Affairs).

On request, the Commission has reviewed parcels of town owned land, and in several cases it has recommended that the Town not sell these properties.

In March, the Commission was represented at the Annual Meeting of the Massachusetts Association of Conservation Commissions, and also attended workshops on current wetlands issues including the new wildlife amendments to the WPA.

Roger Halvorsen was appointed to the Commission by the Board of Selectmen in March to replace Gene Giuffre who resigned.

The Open Space and Recreation Advisory Committee, a coordinating group formed to implement recommendations of the 1986 Open Space Plan, continues to serve as an arm of the Commission. This Committee has prioritized open space and resource areas that need protection by the Town. Lake Quannapowitt and its shoreline is a high priority of the Committee, and a 7-point recommendation on the Beal Company's proposal for development of the former American Mutual property endorses the proposal to the Lakeside Advisory Committee. Also, the Committee endorses the proposal submitted to the Board of Public Works by the Wakefield Center Neighborhood Association for further park and playground development of the Spaulding Street beachfront.

The Commission recognizes the valuable contributions of the Conservation Advocates of Wakefield (CAW) for its various trails activities including organized trail walks for the public and school educational programs. Generous contributions were received this year from the Wakefield Kiwanis Club targeted for work at the Reedy Meadows Conservation Area, the Recreational Equipment, Inc. (REI) and Trailwright Volunteers of New Hampshire for work establishing a new trail at Reedy Meadows. Also, the Commission salutes Trees for Wakefield, a newly formed non-profit organization which will support and promote public tree plantings in Wakefield. The group plans to seek donations from individuals and civic organiza-

tions to carry out its various activities. Both groups are contributing immeasurably to the quality of life of the Wakefield Community.

The Commission gave initial support to Wakefield's first household hazardous waste collection day held in June, and anticipates future events planned by the HHW Coalition as an important service to Wakefield residents and a protection to the environment.

FRANK J. LUCIANI, JR., Chairman

Main Street By-Pass Committee

The Main Street By-Pass Committee was created by an amendment to Article 31 of the 1988 Annual Town Meeting with the charge of studying the possibility of putting a roadway through the town property between Richardson Street and Water Street.

Through Committee meetings and discussions during the summer and fall of 1988 there were several questions raised. The most significant being the exact charge of the Committee itself. Legal opinion reflected that the Committee was charged with determining the feasibility and necessity of the creation of such a by-pass and to report such findings to Town Meeting.

The Main Street By-Pass Committee, comprised of seven residents, began the study by gathering necessary information on property size, ownership history and input from neighborhood residents.

The final determination of the Committee was that the by-pass was indeed not necessary. Siting the new improvements to the downtown area as the main factor for eliminating much of the Main Street to Water Street traffic congestion. Moreover, there was a great deal of public involvement from the residents of Richardson Street and they strongly expressed their opinions that this by-pass is unnecessary. With the residents' input, the Committee cited an outdated traffic study, cost to taxpayers and safety to neighborhood residents as further reason that the by-pass is not necessary. The Committee would like to thank Vincent Carisella, Jr., Pam Minichiello and other residents for their input, suggestions and interest in this issue.

The final determination of the Committee was that the by-pass was also not feasible. Mr. Thomas Donahue, committee member and professional engineer, volunteered to design plot plan drafts to see what options would be available to construct a by-pass on the site. The options ranged from a two way road to a one way road with parking spaces to a one way road with a side walk and parking spaces. Almost regardless of all the options, in order to do a better than adequate job, the Town would be required to "take" some property at the Water Street end. This certainly is not the preferred option. If such a by-pass were to go through, a new

traffic problem would be created at the intersection of the by-pass and Water Street. A larger traffic problem would exist if cars attempted to cross Water Street and turn right onto Vernon Street. No matter what the options, the Committee decided that a by-pass would create too many complications and therefore is not feasible.

The Main Street By-Pass Committee makes the following recommendations:

1. The by-pass between Richardson Street and Water Street is not necessary.
2. The Town should pave the Water Street end of the property (lot 10AB) in order to provide additional parking for the downtown area. A new parking area will certainly help offset some of the parking space problems currently along Main Street.
3. The Committee proposes that the Town pay for this new parking area with unused monies appropriated by Article 26 of the 1987 Town Meeting. There was \$8,700 put aside specifically for paving the area under subject and was never spent.
4. The Committee also recommends that the 1989 Town Meeting accept the report and dissolve the Main Street By-Pass Committee.

Respectfully submitted,
Main Street By-Pass Committee

PERSONNEL

In 1988 the Wakefield Fire Department consisted of a Chief, five (5) Captains, four (4) Lieutenants, and forty-two (42) Firefighters. From a survey conducted in November, 1988 of twenty-five communities similar to Wakefield in population, Wakefield ranked 22nd three (3) from the bottom with regards to total manpower.

During the year Firefighters Lester Le Blanc and Leon Bayrd retired from the Department and Firefighter Walter V. Maloney, III resigned to pursue private employment. These vacancies hopefully will be filled in February, 1989.

The average age of the Department is forty-three (43) years old with an average of fifteen or more years of service.

Public Fire Safety Programs			67

SUMMARY

The Fire Prevention Division had a very busy 1988, conducting routine inspections, follow-up inspections and issuing permits, and continually monitoring new construction and developments in Wakefield.

A major emphasis during 1988 was underground fuel storage tanks. Existing tanks were tested for tightness as required, and many old abandoned tanks were removed, a process that continues into 1989.

The Fire Prevention Division extends its appreciation to the Building Department, School Department and Department of Public Works for their continued cooperation. Also, our gratitude to 128 Mazda-Olds for continuing to provide the Fire Prevention Division with a courtesy automobile for Fire Inspection and Fire Education purposes.

TRAINING

The Department schedules daily training programs on various Fire Department Operations.

A Safety Program on the transportation of liquified gases by truck was given all department members by Eastern Gas of Danvers.

A course was given on the Emergency Handling of Hazardous Materials Incidents on Railroad by Dept. of Transportation, Federal Railroad Administration.

Department members attended courses conducted by the Massachusetts Fire Academy in structural Hazards, Interior Structural Fire Attack, Cold Water Rescue, Search and Rescue, Haz-Mat Incident Response, Vehicle Extrication, Aerial Ladders, Electricity, and Pesticides.

APPARATUS & VEHICLES

1987 Ford LTD Sedan
 1986 Mack 1250 G.P.M. Pumper
 1980 Ford Pick-Up
 1979 Mack 1,000 G.P.M. Pumper
 1975 Maxim 1,250 G.P.M. Pumper
 1975 Maxim 100' Aerial Ladder
 1973 American LaFrance 1,250. Pumper (Reserve)
 1956 Mack 750 G.P.M. Pumper (Reserve)

Age and cost of parts has necessitated a continue increase in maintenance of the above apparatus.

Capital expenditures for the refurbish of Ladder 1 and Engine 2 should be done immediately, in order to provide dependable use for the next several years.

Mr. Henry Rufo serves as Master Mechanic for the maintenance of Fire Department apparatus and equipment.

I wish to express my sincere thanks and appreciation to all department members and Auxiliary Fire Department for the cooperation and assistance during the year 1988.

Respectfully submitted,
 WALTER V. MALONEY, JR.
 Chief of Fire Department

Report of Forest Warden

During the year 1988 there were a total of 95 woods and brush fires.

Respectfully submitted,
WALTER V. MALONEY, JR.
Forest Warden

Report of Director of Civil Defense

The Civil Defense Department continues to function under the general direction and control of the Board of Selectmen, as is required under the provisions of Chapter 639 of the Acts of the year 1950.

The Auxiliary Fire continues under the jurisdiction of the Fire Chief and has worked in close cooperation with the Fire Department throughout 1988. Operation of the Civil Defense Rescue Truck has been available for all Fire calls.

The Director and all members of the Auxiliary serve on a volunteer basis.

Respectfully submitted,
WILLIAM P. HURTON
Director of Civil Defense

Miscellaneous	121
Referred to Other Departments	11

The Wakefield Board of Health during the year 1988 has continued to focus on health prevention through immunizations, public clinics and through the immunization/health program for the Town citizens.

A Flu Clinic was held in November of 1988 throughout the Town. There were 1200 flu vaccine doses administered to the citizens of the Town at various locations.

Distribution of 6620 various other vaccines such as polio, measles, mumps, rubella, etc. were administered to Wakefield citizens. This represents a decrease of 648 doses or 9% decrease from 1987.

A new initiated program this year was cholesterol and colon rectal screening of which 241 people participated.

Boston Guild for the Hard of Hearing, once again, brought in their audio test unit of which 22 people participated.

The Board of Health continues to address important environmental issues i.e. mosquito control program which focus on water management and limited amount of spraying. Most recently, the Wakefield Board of Health supported its first successful Hazardous Waste Collection Day, of which there were forty-three 55 gallon containers of hazardous waste removed from the Town. This marked a herculean effort undertaken by the citizenry.

The Board of Health continues to support articles for mental health and retardation.

Respectfully submitted,

DR. A. LOUIS GIAMARCO, Chairman
SAMUEL J. STELLA, Secretary
HELEN R. McCABE, R.N., Member
JAMES J. NUGENT, JR., Health Agent

Report of Veterans' Services and Benefits

Under Chapter 115 General Laws as amended, the Town of Wakefield is reimbursed 75% of all monies spent, provided that proper authorization from the Commonwealth as to settlement, dependency and need is shown.

Recipients expenses	\$32,347.04
Recipients aided	95
Medical cases aided	20
Fuel cases aided	71
Disability Compensation and Pension Applications	165
Hospitalization at Veterans' Hospitals	58
Education — Home Loans — G.I. Insurance	110

This department has recovered \$3094.89 in the past fiscal year on liens that we had on recipients that were aided while waiting for settlements on Industrial Accidents and other Insurance Claims.

Respectfully submitted,

Director, Veterans' Services
Veterans' Agent

Report of Wakefield Council on Aging

The main function of the Wakefield Council on Aging is service to the 5,012 Senior Citizens over 60 years of age.

SERVICES

1. **Mealsite/Senior Center** — opened at Lincoln School House in January, 1984.
2. **Van Service** — Transportation to doctors, dentists, hospitals, therapy, grocery shopping, shopping, mealsite, voting and group activities. Transportation also provided three days a week from Geriatric Day Care Center.
3. **Income Tax Assistance** — Free assistance given by William Gile and William Joyce.
4. **Newsletter** — Monthly. Paid for by the advertising it contains, the newsletter is issued twelve times a year.
5. **ID Cards** — Issued to those persons 60 years of age and older. The card entitles the holder to discounts at local stores, musical and athletic events at the High School. MBTA ID cards available at office in the spring.
6. **Job Service** — The Director maintains a file of persons seeking employment on a part-time basis.
7. **Problem Solving** — Questions pertaining to insurance, Social Security, Medicare, home sharing, home care, eye care, 24-hour invalid care, nursing homes, meals on wheels, dentures, legal questions, day care for the elderly, are asked and referrals are made to the proper agencies for assistance.
8. **Publicity** — All Council activities are publicized through the Wakefield Item, the Wakefield Chronicle, the Shoppers News, the Council Newsletter and Cable TV Senior Access, Channel 14.
9. **Invalid Appliances** — The Council office provides wheel chairs, canes, walkers, and other appliances on loan.
10. **Free Legal Services** — is provided by the Greater Boston Legal Services at the Council office the second Monday of the month. This is by appointment only.

PROGRAMS

1. **Health Clinics** — were held at the First Baptist Church, the Greenwood Union Church, and the Council office. Visiting nurses were in attendance assisted by volunteers. They take blood pressures, check weight, and review health problems.
2. **Flu & Cholesterol Clinics** — The director assists the Board of Health and supplies volunteers for the flu clinics.
3. **Eye Care** — Program through the Massachusetts Society for the Prevention of Blindness.
4. **Informative Programs** — Blue Cross/Blue Shield, Medex, Medicine and the Elderly, Nursing Home planning, Nutrition, Art Exhibit. Classes in assorted handcrafts, line dancing, art and rug hooking are held weekly.
5. **Wakefield Lodge of Elks** hosted a cook-out in August and Thanksgiving Dinner and Entertainment in November.

6. YMCA has time set aside for Senior Citizens to swim.
7. A group of Friends of the Council on Aging organized to help the Council purchase items not included in their budget.
8. Assists Council of Clubs in distribution of surplus foods to senior citizens.

RECREATION

1. **Bus Trips** — Flower Show, Sandwich Village, North Shore Music Theatre, Salem, Gloucester, Rockport; Boston Harbor Cruise, Bourne Scallop Festival, Quabbin Reservoir, Deerfield Inn and Christmas Shopping Trips to North Shore.
2. **Card Parties** — Held weekly at Crystal View Apartments.
3. **Variety Shows** — Held in June at St. Joseph's Hall. Entertainment and refreshments — Nursing Home patients were special guests.
4. **Keep Walking-Moving Club**
5. **Holiday Craft Fair.**
6. **Holiday parties at Council dining room.**

PROGRAMS FEDERALLY FUNDED WITH LOCAL ASSISTANCE

1. **Congregate Meals** — were served five days a week at the Council on Aging Mealsite/Senior Center, Lincoln School House to older citizens over 60 years of age. Suggested donation \$1.00 per person.
2. **Meals on Wheels** — Approximately 50 hot meals a day — five days a week, were delivered.
3. **Senior Aide** — provided by Mystic Valley Elder Services. This service provides a visitor to call on those persons living alone who are depressed and in need of personal contact.

GRANTS

The Council received a grant from the Executive Office of the Elder Affairs in the amount of \$10,892.00. Funds were used to renovate kitchen, dining room and meeting room, purchase air conditioner for senior center, hire a part-time Activities Director for senior center, volunteer luncheon, and pay MCOA dues.

COUNCIL OFFICE AND STAFF

The office is on the lower floor of the Lincoln School.

Director of Elderly Services — Marion Whiting

Assistant Director — Janet Miranda

Secretary — Barbara Powers

Senior Aide — Florence MacCaughey

Van Driver — Graham Cross

Meals on Wheels Driver — Helen Spear

Mealsite Manager — Louise Faye

Report of Wakefield Housing Authority

In accordance with Chapter 121B, Section 29, of the General Laws of the Commonwealth a copy of this Annual Report is sent to the Executive Office of Communities and Development, to the Board of Selectmen of the Town of Wakefield, and to the office of the State Auditor.

The Commissioners and the expiration of their terms of office are as follows: Four members of the Authority are elected to serve for terms of five years each. One is appointed by the Governor:

Chairman, Scott Robertson, 27 Yale Avenue	March, 1991
Vice Chairperson, Arthur J. Rotondi, Jr., 4 Newell Road	March, 1990
Treasurer, Rev. Dr. Robert Cruickshank*, 2 Scott Lane	June, 1992
Assistant Treasurer, Christine Beagan, 72 Cordis Street	March, 1989
Commissioner, Francis A. Langone, 15 Chestnut Street	March, 1992
*State Appointee	

Board meetings are held on the third Tuesday of each month in the main office of the Authority at 26 Crescent Street and the annual meeting is held on the fourth Tuesday in March.

The Authority owns and manages three elderly housing developments: 116 apartments at Hart's Hill/Woodbury Road completed in 1964 and 1970; 25 apartments at Lincoln School House, completed in 1981; and 40 apartments at Crystal View, completed in 1980. In 1982, the Authority purchased three houses in Wakefield which now provide homes for eight families. The two programs of rental assistance 707 funded by the Commonwealth and Section 8, funded by the Federal Government, assist approximately 165 families both in Wakefield and, where authorized, in other cities and towns. The Authority also provides 707 rental subsidy to 12 Mental Health residents of the renovated 5 Chestnut Street.

In 1988, the Wakefield Housing Authority has undertaken both modernization and development efforts which include painting the interior and exterior of Hart's Hill/Woodbury Road, and replacing the roof and windows at Crystal View. Final plans have been developed for the 689 home for mentally retarded adults and construction is slated to begin in Spring 1989. The Authority also received a grant to obtain sites and construct additional family units.

A major loss of the Authority in 1988 was the resignation from the Board of Mary S. Sweeney, who has been a dedicated member for the past 15 years. The Authority wishes Mary much success in her new post as Executive Director of the Concord Housing Authority, and welcomes Christine Beagan as a new member.

Administration staff include Katherine S. Maloney, Executive Director; Mary Gallucci, Leased Housing Coordinator; Gail Evangelista, Administrative Housing Manager; Myra Bartlett, Bookkeeper; and Jacquetta Lowry, Secretary. Burl Whelchel, Eugene Ruggiero and Mario Gallucci maintain the properties at Hart's Hill, Crystal View and Lincoln School House. Beth Greenberg is the Tenant Services Director.

As there continues to be a demonstrated need in Wakefield for affordable housing, the Authority will continue to actively seek housing resources, to develop hous-

ing alternatives, and to provide housing opportunities which will be of benefit to the constituency we serve.

Respectfully submitted,
SCOTT ROBERTSON, Chairman
ARTHUR J. ROTONDI, JR., Vice Chairperson
REV. DR. ROBERT CRUICKSHANK, Treasurer
CHRISTINE C. BEAGAN, Assistant Treasurer
FRANCIS A. LANGONE, Commissioner

Report of The Recreation Commission

We are happy to report that 1988 was a very successful year for the Recreation Department. A great deal of progress was made in developing facilities, expanding programs, improving services, and planning for the future.

The Recreation Commission members voted as Chairman, George Koulouris for the sixteenth year, as Vice Chairman, Robert Bisacre and appointed Roger G. Maloney as Director for his eighteenth year. John Shevlin was appointed a new member replacing long time member William J. Boodry, Jr. who gave many hours of his time for the betterment of Recreation in Wakefield. Debbie Burchill was appointed Secretary to the Board. Again this year, the office was located in the basement of the Town Hall and Arlene Curran served as Summer Secretary.

1988 reflected a complete change in our summer program. For the second time a fee was charged for participating in the programs and sports week clinics. A week of registration was held and enrollment was limited to each program. The response of the community to this new program and format was tremendous. New programs offered were gymnastics, bike trips, floor hockey, girls' softball and soccer. The very popular summer concerts on the Common were brought back with the help of the Arts Lottery and the very successful Theatre on the Green presented the Little Red Wagon for the kindergarten and elementary aged children.

Some of the improvements to our facilities during the season consisted of: Sullivan Park entrance road surfaced and the water service replaced, new repair to fencing and guardrail was installed to the parking lot at Sullivan, bleachers were repaired at Mapleway and Nasella along with crowd fencing. Yeuell basketball rims and standards were replaced and the team benches, outfield and infield playing surface along with the water fountain were repaired, Walton Junior high ball field was completely done over, Nasella back diamond fencing was restored, storage doors at Col. Connelly was replaced to correct the vandalism problem and new sand was delivered to Col. Connelly beach and the tot lot at Moulton Park. All new water fountain heads installed at the beginning of the spring at all playgrounds and fields. The Recreation Department was successful in sponsoring a lighting article at the Town Meeting to improve the lights at Veterans Tennis Courts, J.J. Round Basketball Court and the Junior High Soccer field.

It is the Commission's priority to secure more state and federal grants for large open space recreational use and improvements in parks and playgrounds of the Town.

The Recreation Department is the central permitting department for the utilization of all outside facilities such as playing fields and tennis courts, plus picnic

areas. The Department will stand ready to serve and provide requested services as best it can within the fiscal restrictions.

We will continue to work closely with the many various sport groups in the Town as well as total coordination and cooperation with the Board of Public Works and the School Department.

The Wakefield Recreation Department's most important long-term goals are to expand and improve the recreational opportunities for the Wakefield citizens of all ages and abilities. The recreation staff members are constantly evaluating the Department's services and programs, trying to develop new ideas, attempting to operate more efficiently, and trying to serve the recreational needs of the people of Wakefield in the best way possible.

As your Director, I would like to say that I have tried to have the Wakefield Recreation Department remain steadfast and committed to its primary long-range goal, which is to help Wakefield residents enrich their lives by using their leisure time productively. In pursuit of this goal, the Department has sought to promote recreational opportunities that enhance the physical and mental health of individuals of all ages and provide facilities that are safe, attractive and functional. I would also like to give a hearty note of appreciation to the present board members who have donated their time and talents to recreation for the Town of Wakefield, especially for the leadership of our Chairman George Koulouris and our past Vice Chairman William Boodry along with various employees for the cooperation during the past year.

Respectfully submitted,

GEORGE KOULOURIS, Chairman
ROBERT BISACRE, Vice Chairman
NANCY PAMP
CHRISTINE GARGANO
JOHN SHEVLIN
ROGER G. MALONEY, Director

Report of the Wakefield Fair Housing Partnership Committee

The Wakefield Fair Housing Partnership Committee (WFHPC) was formed in 1988 by combining the Fair Housing Committee with the Wakefield Housing Partnership Committee.

Its purpose is to create and provide guidelines for developers proposing to build assisted housing within the Town of Wakefield. Using these guidelines the WFHPC attempts to reach agreement with developers on a plan which will best meet the needs of the Town and its residents. When agreement is reached between the WFHPC and the developer, the WFHPC lends such assistance as it can to the completion of the project.

The aim of the Wakefield Fair Housing Partnership Committee is to increase the availability of housing for low and moderate income residents.

The second purpose of the Wakefield Fair Housing Partnership Committee is to promote and ensure that a policy of non-discrimination and equal opportunity is carried out in the area of housing.

Committee meetings are held on the first and third Thursdays of each month in the Selectmen's Meeting Room of the Town Hall.

1988 activities included:

1. Drafting a Fair Housing (5 yr.) Plan.
2. Drafting guidelines for affordable housing developments and application for hearings.
3. Commissioning the firm of Stockard & Engler to do a study of possible sites for housing development.
4. Reviewing Erica S. Partnership's proposed development off Linden Street
— Not supported.
5. Reviewing Gerry Zingariello's proposed development off Grandview Ave.
— Still under consideration at year end.
6. Establish subcommittees: Statement of Standards, Land-use and Zoning, Lending and Mortgage, and Education and Outreach.

Water Division

Report of The Director of Public Works

As required by Chapter 48 of the Acts of 1950, an Act authorizing the Town of Wakefield to establish a Board of Public Works, I respectfully submit a report of the work accomplished in 1988 with thoughts for the future.

1. Weed harvesting continued throughout the Summer on Lake Quannapowitt and the inlet filter berm was started by Meola Construction Corp. of Chelsea at the end of Willard Road. The testing for water quality is also continuing on a monthly basis. The dredging has been abandoned and the design of nutrient removal on all other drainage inlets to the Lake has been approved by the Department of Quality Engineering (DEQE).

2. The second connection to the Massachusetts Water Resources Authority (MWRA) water system was activated in July of this year, which has resulted in an 8 to 10 psi pressure increase in the West Side area. The Green Street (Stoneham) standpipe has been taken out of service and will no longer be required by our system.

3. The DEQE has mandated a state-wide backflow prevention program wherein backflow prevention devices must be installed and inspected at least 3 times annually. The Water Division has undertaken the start of this mandatory program which must be completed by June 1989.

4. The reconstruction of Main Street from Lowell to Salem Streets, under the Urban Systems program, (1.3 million dollars) totally funded by the State and Federal Highway Administration was awarded to John J. Paonessa Company, Inc. of Medford, and started this fall. The completion date is November, 1989.

5. The Public Works Economic Development (PWED) grant for the modernization and beautification of downtown Wakefield Square was substantially completed this year by D & R Construction Co. There still remains a number of punch list items to be completed in the Spring of 1989.

6. The disposal of refuse at Refuse Energy Systems Company (RESCO) continues to cause concern but, a bill to delay the implementation date of acid gas scrubbers at that facility has been filed in the 1989 session of the Legislature. The cost under our present contract will most likely remain until December 1990, at which time as a result of the installation of these scrubbers and new DEQE regulations on ash disposal, could quadruple our disposal costs. It would be by recommendation, however, to renegotiate our existing contract prior to that time to seek a more favorable contract price.

7. A house-to-house inspection to eventually eliminate extraneous water discharging into the Town's sewer system was completed this Fall. The actual implementation of a removal program will be contingent upon a DEQE grant for that purpose.

Last March, Mr. Bertram A. Hudson retired as Office Manager from the Department. It was a pleasure working with Mr. Hudson over the past 23 years and he will be missed. We will, however, look forward to working with his replacement, Mr. Richard F. Stinson.

As the Town enters an era where the fiscal future looks extremely dim, the Department must look to more economical and/or efficient ways to deliver our services and cut out, or cut back, what can be done with limited revenues. In a time of rising costs and decreasing revenues, this will indeed be a most difficult challenge.

The Water and Sewer Divisions, although both are enterprise systems operating from revenue, the continuing upward spiral of MWRA assessments, will continue to drive rates higher. We will continue our efforts to mitigate these increase.

Respectfully submitted,
RICHARD C. BOUTIETTE, P.E.
Director of Public Works

ENGINEERING DIVISION

Submitted herewith is the report of the Engineering Division's activities for 1988.

Roadways

A). The final design and permitting process for the Main Street Reconstruction Project was completed. The Mass. D.P.W. awarded the construction contract to John J. Paonessa Co. of Medford, and work began in October. This project, which is scheduled to be completed in November 1989, will involve the reconstruction of Main Street from Lowell Street to Church Street, and the installation of new traffic signals at the Main and Church Street intersection.

B). In response to petitions filed by the abutters, detailed designs and cost estimates were prepared of the work required to bring Penfield Circle and Overlook Road up to the Town's public way standards.

C). Inspection of the following developments were conducted: Edgewater Place Drive, Elk Spring Drive, Mardeen Estates, Montrose Woods and Toby Lane.

Sidewalks

A). Inspection of the Main Street Sidewalk Reconstruction Project was conducted. This project involved the reconstruction of sidewalks and the Old Town Hall parking lot, the installation of new street lights and trees, and other beautifications in the downtown area. The construction was substantially completed this year, with the remaining project details to be completed in the Spring of 1989.

B). Approximately 300 feet of new sidewalk was designed on Franklin Street. The new sidewalk was constructed in November by the Highway Division.

C). At the request of abutters, numerous surveys and cost estimates were conducted and prepared respectively for proposed sidewalks throughout the Town.

Water

A). Salisbury and Cumberland Roads: provided the survey and design for the installation of 475 feet of water main.

B). Service was provided to the Water Division for marking and locating water mains as required.

Sanitary Sewers

A). Record drawings were produced for the sewers in the following streets: Albion Street, Collette Road, Dillaway Street, Edgewater Drive, Jessica Lane, MacKenzie Lane Extension, Melrose Avenue, Montclare Avenue, Old Colony Drive, Sidney Street, Redfield Road, Spruce Street, and Upland Road.

B) Sewer studies were performed at Tamworth Hill Avenue, and Tobey Lane.

Drainage

Drainage studies involving survey and detailed plans were conducted at the following locations:

- A). All drainage systems within and adjacent to the B & M right-of-way.
- B). Farm Street
- C). Hillcrest Road
- D). Ballister Street to North Avenue
- E). Spring Street to Greenwood Street

Survey

Surveying services were provided as follows:

- A). Kendrick Road detailed survey
- B). Main Street Bypass Road (proposed) plan and profile
- C). Overlook Road plan and profile
- D). Penfield Circle plan and profile
- E). Water Street detailed survey
- F). Wiley Street plan and profile
- G). Surveys at the Saugus River Dam and the Lake Quannapowitt Spillway
- H). Perambulation of all U.S.G.S. bench marks and triangulation stations
- I). Survey of Town bench marks

J). Surveying services were provided as requested for the following: Building Dept., Cemetery Div., Highway Div., Legal Dept., Municipal Light Dept., Parks and Forestry Div., Police Dept., Recreation Dept., School Dept., and Water & Sewer Div.

Drafting

A). A new record drawing program for aged and outdated drawings was begun this year which will continue through 1989.

Miscellaneous

A). Photographic services were provided to various town departments as required.

B). Easement plans and documents were prepared for the proposed Filter Berm Project on Lake Quannapowitt.

C). Wheelchair ramps were designed for the Dolbeare and Franklin Schools

D). Research, surveys, and advice were provided for the Main Street Bypass Committee, and the Montrose Fire Station Building Committee.

E). Preliminary plans, cost estimates, and supporting documentation were provided for the grant application submitted by the Wakefield Public Library for the proposed library roof project.

In conclusion, I would like to thank the Director of Public Works, Division Supervisors, Administrative and Secretarial Staff of the Department of Public works, and my fellow employees of the Engineering Division for their cooperation and assistance through the year.

Respectfully submitted,

DONALD N. ONUSSEIT, P.E.
Town Engineer

BUILDING DIVISION

Submitted herewith are the major projects undertaken by the Building Division for the year 1988.

Town Hall

Replaced broken toilet 1st floor ladies' room and two new toilet seats. Replaced thermostats in Selectmen's and DPW offices. Installed new 110 plug in Board of Health office, using 125' of wire. Replaced incandescent and fluorescent light bulbs and switches. Repaired fire alarm wire outside of building. Repaired front steps, desk Selectmen's office, low water safety shut off unit. Oiled all circulator pumps and motors monthly. New motor and condenser fan motor, one run capacitor in air conditioner unit in DPW office. Installed 5 new deodorizing systems. Washed all walls and floors. Repaired boilers, thermostats, Johnson tank drain, and pump float switch. Replaced circulator pump and couplings. Removed large tree and lost one at front entrance. Replaced rear door stairs and platform with 6" wall. Painted all exterior wood trim. Replaced 2 toilet seats in ladies' room, 2nd floor. Installed new floor drains, and new handrail for rear stairway to basement. Installed new rugs in the 1st floor DPW office and Conference Room, 2nd floor Selectmen's, Accounting, Executive Secretary, Group Insurance offices, and section of the halls. Installed a complete new fire alarm system, 8 roll towel dispensers. Performed custodial care 5 days per week. Removed snow and ice from steps and walkways. Fixed toilets, faucet, and flushometers. Replaced curtains and rods. Repaired emergency lighting, broken windows and storm windows, door and frames. Replaced lower roof with new rubber roof. Installed venetian blinds.

Central Fire Station

Replaced 12 vent rite air valves, broken storm windows 34" x 36" with plexiglass. Repaired boiler, broken water pipe, and toilets. Replaced broken lights, switches, fluorescent and incandescent lamps, and 3 new complete windows. Oiled all circulator pumps and motors monthly. Installed 3 roll-towel dispensers. Replaced electrical transfer switch and sub-panel 100 amp, in basement. Remodeled control room and 2nd floor bathroom. Painted inside of building. Repaired large doors, faucet, toilet. Blew out ceiling heater units, new Hoffman steam valves. Cut and treated lawn. Sprayed for ants. Installed door and window weather stripping and new storm windows. DHW tank/pipe insulation. Lighting conversion, second glazing skylights, hose tower heat controls.

Greenwood Fire Station

Repaired ceiling heaters and blew them out. Replaced light, time clock for School. Oiled all circulator pumps and motors monthly. Installed new 2' and 4' fluorescent lights and ballasts. Installed 3 new roll-towel dispensers. Painted complete inside of building. Repaired runners, rollers of large doors, cleaned out all gutters. Sprayed for ants. Repaired flushometer. Installed deodorizing system, new time clock for burner shut down at night, automatic temperature controls, lighting conversion, ceiling insulation, DHW flow reducers, door and window weatherstripping.

Cemetery

Oiled motor on boiler monthly. Replaced fuses and fluorescent lights, ballast, and incandescent lamps. Repaired toilet and broken water pipe. Installed 1 new roll towel dispensers. Repaired door, furnace. Sprayed for ants. Patched roof.

Vinton Street Field House

Replaced fluorescent light and incandescent bulbs. Repaired burner, motor and pipes.

Greenwood Caring School

Repaired emergi-light system. Cleaned out gutters, ceiling insulation, and automatic temperature controls.

Broadway Pumping Station

Repaired and serviced boiler. DeVised 2 75' electrical cords. Installed soap dispensers. Replaced 4' and 8' fluorescent lights and ballasts. Replaced broken window on 16 1/8" x 21" door. Began building a new building. Replaced quartz line lamps. Repaired toilet, water pipes, and sprayed for ants.

Filter House

Replaced thermostats, window glass, and door hasps. Repaired lights, switch, plugs and new heater motor.

Linden Street Pumping Station

Replaced 4' and 8' fluorescent lights, ballasts, and incandescent lamps. Installed soap and towel dispensers. Replaced 30 gallon weater heater. Repaired toilet, faucets, and replaced toilet seat. Replaced 2 new entry doors and frame with steel.

Farm Street Pumping Station

Installed soap and roll-towel dispensers. Replaced fluorescent lights.

West Park Drive Pumping Station

Repaired lights, plugs, and switch.

Water Tower Off Sidney Street

Repaired entry door and hasp.

Police Station

Unplugged drains and sinks. Repaired and replaced low water safety shut off unit. Repaired boiler. Repacked zone valves, serviced boiler. Repaired 3 entry doors and new locks. Replaced 5' x 8' flags. Installed 4' and 8' fluorescent lights. Incandescent lamps, throughout building. Oiled all circulator pumps and motors monthly. Installed new plugs and light switches 1st and 2nd floor. Replaced ballasts in fluorescent lights. Installed 7 roll-towel dispensers. Repaired cell beds and doors. Cut grass and treated lawn. Sprayed for ants. Cleared snow off steps and all walks. Replaced Hoffman valves and drained air tank. Repaired toilets, faucets, flushometers, and roof air conditioner. Picked up used lawn mower. Maintained and cleaned complete station 6 days per week. Relocated water alarm to Broadway Pumping Station.

Spaulding Street House

Removed debris from the demolition of two houses.

RECREATION**Spaulding Street Bath House**

Repaired vandalism damage.

Mapleway

Sprayed for ants, performed weekly custodial care, paint complete building, turned water on and off, fixed all leaks, repaired vandalism damage, repaired toilets and flushometers.

Colonel Connolly Park

Painted complete building inside and out, turn water on and off, fixed all leaks, toilets, faucets, flushometer, sprayed for ants, performed weekly custodial care.

Moulton Park

Paint complete building inside and out, fixed all leaks, sprayed for ants, performed weekly custodial care, turned water on and off.

Nasella Park

Sprayed for ants, painted complete building inside and out, fixed all leaks, turned water on and off, and performed weekly custodial care.

Highway Garage

Repaired men's room door frame and 3 entry doors. Replaced entry door locks, electric switch on ban saw, time clock, vent, and exhaust fan motor. Repaired and serviced circulator pumps. Replaced electric switch on burner with keyed switch for safety. Oiled all circulator pumps and motors monthly. Repaired 2 ton hoist, added new 220 electric outlet for Wilder and Universal 3 pole 4 wire cap, installed 2 new deodorizing systems, repaired 4' and 8' fluorescent lamps, and ballasts throughout building. Performed custodial care 5 days per week. Painted trim, doors, and windows. Patched roof. Repaired large door, glass, electric operators. Repaired low water safety shut off Hoffman valves, air compressor, toilets, flushometers. Cut grass and treated lawn. Sprayed for ants. Unplugged drains. Repaired alarm system. Installed new forced air furnace which runs on waste oil, door and window weather stripping, automatic temperature controls, office exhaust fan switch, flow reducing shower head, and destratification ceiling fans.

New DPW Garage

Repaired and serviced 6 ceiling heaters. Cleaned all units. Repaired thermostats, large steel doors, and air compressor. Replaced one section of large steel door and 6 gas units thermostats. Repaired fluorescent lights, ballast throughout building, electric operators, entry doors, and drains.

All Buildings

Preventive maintenance treatment in all fuel oil storage tanks and boilers. Performed Radon tests in all buildings. Replaced all air conditioning filters. Cleaned all unit heaters and replaced oil filters. Flushed boilers, yearly fire extinguisher inspection and repair and added additional ones. Maintained all supplies and flags and made necessary repair of voting booths. Worked on energy grants and roof projection. Performed snow work for Highway Division. Maintained phone system.

I would like to take this opportunity to thank the Director of Public Works, Divisional Supervisor, the Secretarial staff of the Department of Public Works, and other town officials for their assistance and understanding through the year 1988.

Respectfully submitted,
RICHARD TESTA
Buildings Specialist

FORESTRY AND PARK DIVISION

It is my pleasure to inform you of the maintenance program of the Forestry section during 1988.

The normal winter schedule is snow plowing of our public roadways and sidewalks, tree trimming, and removal of dead and hazardous trees.

Estimated work order requests completed by this section during 1988 were 243. Total public shade trees removed for this year were 60.

Due to the lack of funds for capital outlay for this fiscal year, we were unable to instigate a tree planting program in the fall of 1988.

The Park crew has its routine schedule of snow and ice emergency work primarily plowing for the safety of school children. The unusual dry period of July and August increased the weed problem throughout our park system and community necessitating much cutting and maintenance.

An International Weed Harvester was put into operation in mid-spring to cut and remove weeds in Lake Quannapowitt. It is estimated that two-thirds of this lake produces submersible weeds.

I would like, in conclusion, to thank the Wakefield Garden Club, Mrs. Alice M. Courage, Director, for their efforts and contribution to the beautification of the Old Town Hall parking lot.

Respectfully submitted,

ROBERT J. BELANGER, Supervisor
Forestry & Park Division

CEMETERY DIVISION

I am pleased to inform you of the maintenance program of the Forest Glade and Old Church Street cemeteries for the year ending December 31, 1988.

During the winter season, little maintenance can be accomplished other than opening of graves for interments and funeral services, snow plowing cemetery roadways, and the re-assignment of snow and ice emergency work. Early Spring schedules consisted of preparing late fall and winter grave interments with new loam and seeding, the completion of all monument foundation and government flush markers, general winter clean-up, grass mowing and trimming, in preparation of Memorial Day observances, and work orders complaints.

Due to the lack of Capital Outlay funds, two sections of the cemetery, which would have been used for sale of graves, were unable to be completed. Because of this, the Board of Public Works instituted a moratorium in August of 1988 for the sale of graves, with the exception of immediate use to a family of a Wakefield resident.

I would like to thank funeral directors and monument companies that have shown an interest to families and residents that have purchased graves at the cemetery.

The following represents our services and revenues for the year 1988.

Interments	140
Sales of Service Revenue	\$34,221.00
Sale of Graves	\$20,440.00
Perpetual Care	\$27,360.00

Respectfully submitted,

ROBERT J. BELANGER, Supervisor
Cemetery Division

HIGHWAY DIVISION

The Highway Division's primary function is the maintenance of the facilities in its jurisdiction. This task increases every year as new areas are developed within the Town. Preventive maintenance is a prime factor in keeping the cost of repair low. The Highway Division is constantly maintaining the 100 miles of roadway, curbing, berm, and sidewalks.

Following is a breakdown of major projects completed during the year 1988.

Street Maintenance

Normal patching required for maintenance resurfacing (stone chip seal, slurry seal, and bituminous concrete), in conjunction with Chapter 90 Overlay Program, was completed. All streets scheduled for surface maintenance are prepared by Highway personnel.

Sealcoating Inc. of Hingham, MA slurry sealed the following streets:

Emerson Street	Daniel Road
Cedar Street	Renwick Road
Gould Street (Upper)	Stark Avenue
Walnut Street	

Crackseal

Twenty-three streets, in all sections of Town, received an application of hot rubberized asphalt crack sealer. This product contains a fibre additive for better sealing of cracks in the pavement. The contractor is Sealcoating Inc. of Hingham, MA.

Chip Seal

The following streets were sealed with a 1/8" chip stone and emulsified asphalt:

Fairmount Avenue	Melvin Street
Curve Street	Wiley Street
Sylvan Avenue	Oakland Road
Woodland Road	

Bituminous Concrete Overlay

Streets that received a 2½" overlay of bituminous concrete are as follows:

Traverse Street	Spring Street (Myrtle Ave.)
Shady Avenue	to Greenwood Street)
Dillaway Street	Upland Road

Chapter 90 Paving Program

Crescent Street	Elm Street
Butler Avenue	Spring Street
Nahant Street (Hart Street to Main Street)	
Main Street (Yale Avenue to Water Street)	
Common Street	

Street Sweeping

The business sections of Greenwood and the Square were swept three times a week from April to December (weather permitting). All streets were swept of any sand and leaves in the spring and fall and re-swept as often as needed during

the summer months. The sweeping is contracted to Waste Management of Boston North, Woburn, MA.

Traffic Lines

The following line painting was completed by Traffic Markings of Franklin, MA.

150,000 L.F.	4" Centerline
17,000 L.F.	4" Edgeline
1,500 L.F.	12" Stop Line
16,400 L.F.	12" Crosswalks
34	Directional Arrows
90	24" Letters
20,000 L.F.	4" Parking Lines
10	Railroad Crossings

Patching

All permanent patching of water and sewer trenches is done by the Highway Division. The Department also permanently paved all of the Municipal Light Department's gas and electric trenches in all sections of the Town.

Sidewalk Maintenance

Concrete sidewalks were replaced on the following streets:

Melvin Street	Hanson Street
Summer Street	Richardson Street
Charles Street	Cyrus Street
Main Street	Murray Street
Humphrey Street	Crescent Street
Pleasant Street	

Bituminous Concrete

Sidewalks were replaced on the following streets:

Morel Circle	Albion Street
Nahant Street	Union Street
Main Street	Princess Street
Centre Street	Preston Street
Franklin Street	

Traffic and Street Signs

Traffic Signs Replaced	87
New Poles Replaced	38
Street Signs Replaced	70

Berm and Curbing

700 ft. of 5" granite curbing was laid on Nahant Street and 500 ft. on Franklin Street.

2,500 L.F. of bituminous concrete berm was installed or replaced in various sections of Town.

Drain Maintenance

A total of 32 catch basins and 15 manholes were also repaired.

132 L.F. of 12" P.C. pipe was relayed on Paon Boulevard. 100 L.F. of 8" cast iron drain was also replaced on Paon Boulevard.

2,200 manholes and catch basins on the drainage system were cleaned of leaves and debris; some were cleaned twice. This service is contracted to Waste Management of Woburn.

476 requests for berm repairs, signs, sidewalks, streets, and drains, were received and acted upon.

Winter Schedule

The Department's winter schedule consists primarily of snow and ice control. Snow fences were installed and maintained at the lower common and the head of Lake Quannapowitt on Main Street.

As a service to motorists in emergencies, 100 sand barrels were placed in areas at hills and intersections where icing may exist on the pavement. The barrels are maintained and filled with sand during the winter season. Brooks, catch basins, and culverts are cleaned to alleviate the possibility of flooding in early spring.

All personnel maintain plows, sanders, and chains between sanding and plowing operations. All streets are checked for winter pot holes.

Refuse Collection

In 1988, approximately 13,000 tons of refuse was delivered to the R.E.S.C.O. Recovery Plant in Saugus for disposal. Unit cost of R.E.S.C.O. was \$20.83 per ton for disposal. R. C. Hiltz, Inc. of Gloucester, MA is contracted to pick up and dispose of refuse.

I would like to take this opportunity to thank all Public Works employees, all division heads, and our office staff, for their assistance and cooperation throughout the year 1988.

Respectfully submitted,

RALPH P. DeCECCA, Supervisor
Highway Division

REPORT OF THE SCHOOL COMMITTEE CHAIRMAN

The School Committee welcomed new members Joanne Dumont and Constance Cardillo, congratulated Janice Poritzky on her re-election and extended best wishes for success to former members Patricia Carisella and Patricia Maher. John Encarnacao and Charles McCauley were elected Chairman and Secretary, respectively. The following subcommittees/task force were appointed: Budget, Policy, Cable Television and Secondary Education.

In December, the School Committee was faced with the enormous task of reducing the Fiscal '90 Budget including the personnel salary negotiated increases by 8.5%. This percent was later reduced by the Finance Committee to 5.8%. The Subcommittee on Finances directed by Mrs. Kathleen Cranley thoroughly studied each section of the budget and made carefully considered recommendations to the full School Committee.

The Committee as a whole painstakingly deliberated on the budget reductions in personnel and non-personnel accounts. The goal of striking a balance among the fixed uncontrollable costs and the educational program cost has been difficult and complex. The School Committee has established policies to monitor and control the enrollments in elementary classes. The Committee's philosophy has focused on the formative years of education as the foundation for a positive future. Such a philosophy is based on sound principles of education and substantial research. The scarcity of funds during the past several years and especially during this current planning phase makes it difficult to impossible to reduce class size to the prefer-

red levels. In order to provide the necessary funds for an acceptable level of education systemwide, the Committee has had to defer important maintenance. A long term deferred maintenance policy can only cost the town more money and defeat long rang educational purposes.

In addition to the goal of balancing the budget to meet the educational needs of the students, the Committee cooperated with the work of the Building Committee to plan for the anticipated increase in elementary student enrollments. Grade five classes have been consolidated at the Atwell School to open up needed classroom space in the elementary schools. The School Committee voted to support the Building Committee plan to add approximately eight (8) classrooms to the Atwell School and six (6) classrooms to the Doyle School. The funding referendum question for the architectural design fees did not receive the needed two-thirds vote of the Selectmen. Therefore, the School Committee and school administration continue to be faced with both a budget reduction that will reduce educational programs and services and a classroom space needs problem which currently does not have a definite solution.

The School Committee has resolved to face each of the complex education and funding issues with the best alternative solutions. At this writing, the School Committee is planning to enter into a strategic planning phase of study to outline a coherent education plan for the community during the next ten to twenty years.

The Policy Subcommittee directed by Paul Bettano thoroughly reviewed, modified and added needed policies to the School Committee policy guideline manual. This achievement will assist greatly the work of future School Committees.

The School Committee extends its best wishes for happy, healthy retirements to Marjorie Joy Lazzaro, Joseph Simone, Thomas Geoghegan, Ann Dyson, Margaret McHugh, John Angelo, Charles Stohl, Earle Fairfield and Thomas Kelley.

The School Committee was deeply saddened by the passing away of the following colleagues and friends: Vito Perna, Emma Rice, Alice Calkins, Alfred Delaney and Ruth Finlay.

Respectfully Submitted,

JOHN B. ENCARNACAO, Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS TO THE WAKEFIELD SCHOOL COMMITTEE

The school administration and staff focused on classroom space needs for elementary students through 1997, educational programs to meet educational needs and the planning of a greatly reduced Fiscal '90 budget.

Elementary Classroom Space Needs

The Task Force on Space Needs submitted its final report to the full School Committee on January 11, 1988. Members of the committee included John Encarnacao, Chairman; Paul Egan; Beverly Elcewicz; Patricia Maher and Dr. Chester Lee. The committee recommended the consolidation of grade 5 at the Atwell School and the building of additional elementary classrooms to accommodate the anticipated higher enrollments. In May the Town Meeting approved a School Building Committee. Appointed to the Town School Building Committee were: John Encarnacao, Chairman; Muriel McConville, Patricia deGaravilla; Dr. Sharron Cassavant; John Haladay; Philip McCarty and Brian Thomson (who resigned in July and was replaced by Edward Incerto). The committee met in June, July and August and recommended that 12 additional classrooms be added to the Atwell School and 8 classrooms to the Doyle School. The committee hired the architectural firm of Peirce, Pierce & Kramer. The committee also placed on the November ballot an exclusion to Proposition 2½ in order to support the building project. The exclusion did not pass and the Building Committee decided to continue its plans with a modification of the original request and continued disseminating information regarding the need for additional classrooms.

During this process the Finance Committee notified the School Committee in December that the School Department would be required to reduce its Fiscal '90 budget by approximately 1.2 million dollars. The 1988 year ended with both the School Committee and Town School Building Committee rethinking their goals and priorities because of the scarcity of financial resources.

Educational Programs

The Chairman of the School Committee, John Encarnacao, appointed two important Task Forces to assist the School Committee in its deliberations: The Task Force on Secondary Education and the Task Force on Cable Television.

The Task Force on Secondary Education was charged with advising the School Committee on educational program direction and priorities in grades 7-12 within financial boundaries and declining enrollments. The Task Force on Cable Television was requested to advise the committee on the total educational ramifications of cable television systemwide, including advantages, limitations and preferred direction.

During the 1988 school year, the School Committee implemented a television interconnect with the Town of Reading School Department. Starting in September, Reading transmitted a course in Advanced French to Wakefield. One student from Wakefield High School took the course which would not have been offered otherwise because of the low enrollment. During the second half of the year, Wakefield offered Public Speaking which is not offered in the Reading Public School System. In each case, students need not leave their high school site as the entire program is conducted over television. Both the Reading and Wakefield participants can see and talk to each other.

The School Committee adopted a curriculum on the subject of AIDs Education, Grades 7-12 and an Environment Education curriculum for the elementary schools. Changes were made in the elementary report cards, mathematics and English teachers prepared a scholastic aptitude preparation program for high school students and elementary teachers involved in pre-school programming recommended and the School Committee approved a transition class for kindergarten students who normally would have repeated. Such students are now enrolled in a class which is designed to aid in the maturation and educational development of preschool students in their formative years.

The focus on process writing continued throughout the system with Maryalice Ryan, third grade teacher at the Montrose School and Horace Mann teacher, providing strong leadership for elementary teachers in this important procedure. Diane Lind and Diane Reagan provided leadership at the secondary level.

Trigonometry at the secondary level is being explored more fully with scientific calculators and computer graphics. Mathematics education is moving towards an integrated curriculum with more stress on small group instruction. With student interaction and problem situations on both the elementary and secondary level, mathematics instruction is moving away from the lecture and more towards a hands on interactive visual experience for students. The School Committee adopted a new basal math series, Addison & Wesley, for the elementary schools.

The School Department adopted the recommendation of Paula Mullen, director of physical education/athletics for a new and comprehensive grade 5-8 physical fitness report.

The School Committee also approved higher age standards for the admissions to kindergarten and first grade beginning in the school year 1989-90; converted the boys' swimming team to a girls' swimming team and allowed the use of the Atwell School for the YMCA Latch Key program. These elementary students remain in school after hours until their parents return from work.

The Daughters of the American Revolution and the Freedoms Foundation honored Daniel Blanchard, secondary department chairman and social studies teacher, for his excellence in teaching American History and creating American History programs that motivate the youth of Wakefield.

The High School Drama Club continued to add to its prestigious productions with its presentation of "The Crucible" at Wakefield High School in the fall of 1988. This outstanding mature production played for four evenings at the Wakefield High School Lecture Hall. "Fiddler on the Roof" will be presented in the spring.

The Girls' Varsity Basketball team captured the great distinction of a State Championship in Basketball. The entire town congratulated the girls' varsity team and coach Bernard Plansky for the highest honor that can be achieved by an athletic team.

Chapter 188 and Testing: Assessment & Basic Skills

The results of last year's Assessment tests are as follows:

Summary of 1988 Assessment Test Results
State Average = 1300

Year	Grade	Category	State	Wakefield		Subject	Score
			%	N	%		
1988	4	Included	90%	225	99%	Reading	1370
		Exempted	9%	2	1%	Mathematics	1360
		Incomplete	1%	0	0%	Science	1330
		or Absent				Social Studies	1370
	8	Included	90%	229	95%	Reading	1240
		Exempted	8%	9	4%	Mathematics	1320
		Incomplete	2%	2	1%	Science	1260
		or Absent				Social Studies	1320
	12	Included	92%	278	95%	Reading	1320
		Exempted	4%	7	2%	Mathematics	1330
		Incomplete	4%	8	3%	Science	1330
		or Absent				Social Studies	1330

The School Committee deferred its plan to create the position of Curriculum Coordinator and appointed an elementary principal instead.

Wakefield's average class size in the elementary schools is 22.4 per class in grades kindergarten through grade six.

Wakefield's per pupil cost is recorded in the most recent calculation of the State Department of Education as \$4352 per student, compared to the State of Massachusetts \$3853 per student.

The 1988 graduates of Wakefield High School have reported that they are now involved in the following education, work or other programs:

Class of 1988 Disposition

	1987		1988	
	No.	Pct.	No.	Pct.

	278	100.0	283	100.0

School Plant Management

The School Department made major renovations at both the High School and Junior High School cafeterias. At the High School a new walk in freezer was installed; at the Junior High School the old serving fixtures were replaced by stainless steel serving counters. State grant money was used to renovate the retail store at the High School which is operated within the Distributive Education Clubs of America program. The store is located next to the cafeteria and provides an opportunity for students to learn elements of retailing. Necessary renovations were made to the Atwell School in order to accommodate grade 5 students from all over town. Because of the consolidation of grade 5, classroom spaces were made available in the remaining elementary schools in all of the districts. The second portion of the High School roof was replaced. One third of the roof remains to be replaced. One of the three boilers at Wakefield Junior High School was replaced.

Report of the Board of Trustees Lucius Beebe Memorial Library

Each year, the Board of Library Trustees approves and adopts policies, maintains trust funds and works with the Director and staff to promote and protect library resources for the Town of Wakefield.

Newly elected to the Board this year were John Sullivan who filled a three year position and Richard Burchill who filled a one year vacancy left by Kevin McConville. Welcomed back for another three year term were Gray Sawyer and Jeannette Lazarus. Officers were: Chairman — Elsie Donovan, Vice-Chairman — Mary Vincent and Secretary — Connie Rawson.

New and revised policies included an updated Continuing Education Policy and a revision of the Meeting Room Policy. The bylaws were changed so that meetings will be held the third Thursday of each month rather than the second Thursday.

Trust funds were disbursed for the following purposes:

- A lecture on victimization by Nathaniel Floyd
- A Russian Children's Art Exhibit
- A lecture by author Nicholas Gage
- Funding for the Youth Room's summer program
- A Babysitting Clinic for young adults
- Books for a Mother/Daughter Discussion Group
- Installation and operation of a new telefax machine
- An air conditioner and microwave for the staff

The Friends of the Library have become an enthusiastic and energetic group. They have started their own newsletter, initiated a membership drive and sponsored well-attended trips to the *Nutcracker*, *Ramesses*, *Nonsense* and Fall River Outlets. We thank all volunteers for their dedicated help with the Friends' Annual Book Sale.

The Board would like to thank all volunteers who take time out from busy schedules and provide extra services to their Town through library involvement.

The Lucius Beebe Memorial Library continues in its role as an innovative and well-run Town department. Kudos to the Director and staff for another year of fine community service.

Respectfully submitted,

Board of Library Trustees

REPORT OF THE LIBRARY DIRECTOR

Staff development and facility maintenance received special emphasis in 1988.

Staffing

As information proliferates and technology becomes more complex, the skills of librarians are a more critical factor in matching people with their information needs. Members of each department have shared expertise gained from training in the delivery of reference service, cataloging and preservation of materials, public speaking, and computer applications.

The Library enters 1989 with well-qualified department heads providing leadership in each aspect of library service.

Having received a Master of Library Science degree, Charlotte Thompson was promoted to the vacant post of Readers' and Information Services Coordinator.

Head of Technical Services Elizabeth Thomsen accepted a job as Database Manager for the North of Boston Library Exchange, Inc. Her replacement, Rebecca Rohr, was recruited from Winchester Public Library.

Circulation Administrator Mae Keenan retired after twenty-seven years of dedicated library service. Mary Lyons was hired to fill the vacancy created when Marie Field was promoted to Circulation Administrator.

Planning and Budgeting

The necessity for extensive cuts in the FY90 budget after years of level-funding prompted a planning project, conducted by a committee of department heads, for the purpose of establishing new service priorities. The Board of Library Trustees will use committee recommendations as the basis for budget decisions. Their work continues into the new year.

Facility Maintenance

Wakefield is fortunate to have an attractive downtown area, and the Library Trustees and administration are attentive to preserving the architectural work of Cram and Ferguson (designers of the original building) and Shepley Bulfinch Richardson and Abbott (architects and engineers for the addition).

The Library replaced the Youth Room carpeting early in 1988 and replaced the brick work on the Main Street Plaza in the spring.

Fire Captain David Parr served as project manager for a grant from the Massachusetts Office of Energy Resources that funded energy conservation measures in a number of Town buildings. The Library received weather stripping and partial funding for storm windows in the original building. Supplemental funds were contributed by the Kiwanis Club, the Friends of the Library, and a private donor.

In December, tests of the Library's underground oil tank confirmed the slow loss of oil from the storage system. Captain David Parr determined the appropriate measures for rectifying the situation. A new tank is scheduled for installation in early 1989.

A grant application for roof replacement on the original building was declined by the Massachusetts Historical Commission. At year-end, the Library filed a grant application with the Massachusetts Board of Library Commissioners for a new roof on both the original building and the addition. The Library is indebted to Eric Workman for his photography, to George Livingstone for his architectural exper-

tise, to Town Planner Robert Rodgers, Town Counsel Mario Simeola, and Town Engineer Donald Onusseit for their substantial contributions to the effort.

New computer terminals at public desks were funded by the Friends of the Library and trust funds administered by the Board of Library Trustees. New telecommunications equipment was purchased with state grant money secured by NOBLE, Inc. and augmented by trust funds.

NOBLE, Inc.

June 30 marked the end of the Director's term as President of the organization that provides automation services to north shore libraries. The North of Boston Library Exchange, Inc. entered the new year fully staffed, with its finances, operations, and governance in good order.

Because of the state's financial crisis, NOBLE has not received the FY89 grant money awarded to upgrade its central site equipment.

Legislation

Although the bill authorizing increased support for regional library systems was not passed by the legislature, the Library appreciates the continuing support that Representative Richard Tisei and Senator John Brennan lend to initiatives from the library community.

Services

A review of library services is provided in the department reports that follow.

Respectfully submitted,
SHARON A. GILLEY
Library Director

REPORTS OF THE READERS AND INFORMATION SERVICES DEPARTMENT

The Museum of Science in Boston was host for a show of Egyptian antiquities, *The Ramesses Exhibit*. The Museum did such an extensive public relations job that tickets had to be ordered in advance and were often difficult to obtain. The historic visit was marked by the Beebe Library with a lecture by Edward Lynch from the Museum who talked about Egypt, its history, both ancient and modern, and its culture. The Friends of the Library purchased 150 tickets and sent three buses to the exhibit.

The Friends of the Library also sponsored another Boston trip to see the play *Nunsense*. In October, the Friends began their annual membership drive with an evening with storyteller Judith Black, who told stories for grownups, including one about "Rosie the Riveter." In cooperation with the membership drive, the Municipal Light Department inserted an invitation to join the Friends of the Library in their fall newsletter which reached over 11,000 homes in Wakefield.

In November, the Friends took a shopping tour of the Fall River Outlets, and in December, attended a 25th anniversary performance of the Boston Ballet's *Nutcracker*.

Nicholas Gage, investigative reporter for the *New York Times* and author of several books including the bestselling *Eleni*, spoke to a very attentive audience on November 14th. *Eleni* is the story of Gage's mother who was tried and executed by communists in post-War Greece because she smuggled her children out to safety in America. The simple last words of his mother were, "My children!" When

Nicholas Gage repeated that cry, the Lecture Hall was completely silent as Eleni's cry for all the children of the world was remembered. This event was sponsored by the Board of Library Trustees.

James Carroll and his wife, Alexandra Marshall, spoke to an overflow audience in January. Carroll, a former Jesuit priest and the author of *Mortal Friends*, *Supply of Heroes*, *Prince of Peace* and other novels, was witty and relaxed. Ms. Marshall, author of *The Brass Bed*, reading excerpts from her work-in-progress on the Peace Corps, was serious and intellectual. The Carrolls answered questions from the audience about their work, their writing styles, and the difference in their personalities.

The Library introduced a new service that directly connects the Beebe Library user with the vast resources of the Boston Public Library. Through the introduction of telefacsimile technology, magazine articles, government documents and business information can be retrieved from BPL's collections and sent to Wakefield within a matter of hours. Patrons who would usually go to Boston for specialized information can now have access to these resources without the hassle of driving and parking in the city.

The Library sponsors a book discussion group, The Greenwood Book Group, which focuses primarily on new fiction and biographies. The Great Books Discussion Group, after 15 years of meeting, has disbanded. A new reading group has been started at the Wakefield Council on Aging.

Respectfully submitted,
CHARLOTTE THOMPSON
Senior Librarian

Displays and Exhibits

The Library provides display space for local artists to showcase their work. Among the artists who exhibited their work in 1988 were Tom Morse, Sandra Martin, and Marie McCue. The art exhibit areas were also used by the Art Department of the Wakefield Public Schools, by Nancy Hoop to present a display of Russian Art, and by the Montrose Elementary School.

Other groups which took advantage of the Library display space to spread their message or display their skills were: the Wakefield Girl Scouts, the Wakefield Recycling Committee and the Household Hazardous Waste Committee.

Cable Program

The Library continued to take advantage of the communications opportunities offered by public access cable television to reach greater numbers of people in Wakefield. In 1988, Library-sponsored lectures by authors James Carroll, Alexandra Marshall, and Nicholas Gage were videotaped and shown on Channel 18. In addition, the Library's annual Pet Show was once again videotaped and seen by many on the public access channel.

Respectfully submitted,
MARK SARDELLA
Librarian

Home Delivery Service

The Home Delivery Service furnishes books to the homebound with deliveries made by volunteers.

The Library has expanded the program this year to include all Wakefield nurs-

ing homes and the E.E. Boit Home. Collections are sent to each home upon request and delivered by volunteers.

The Library staff appreciates all the loyal volunteers for their participation and willingness in providing a year of reading pleasure to so many people who are unable to come to the library.

Homebound volunteers were Nancy Benjamin, Linda Connolly, Frances Ciciarella, Sara DiPerri, Kristen Henshaw, Debbie Judge, Nancy Kearns, Esther Nowell, Patricia Retalic, Gail Shevlin, Pat Silveira, Elinor M. Smith, Kathy Young.

Nursing home volunteers were Lloyd Brown, Frances Ciciarella, Helen Fallica, Janice Shaw.

Respectfully submitted,
BEATRICE WHEELER
Librarian

Report of the Young Adults Department

During the last calendar year three new programs were offered: The Mother-Daughter Book Discussion Group, "Dear Tracy," and the Pictionary Tournament.

The Mother-Daughter Book Discussion Group meets once a month to discuss popular fiction that is of interest to young girls between the ages of ten and thirteen. Since its inception the group has steadily increased its numbers.

In cooperation with the Eastern Middlesex Department of Human Services, the Young Adult Department sponsored the "Dear Tracy" program. Teens were encouraged to write their problems down, placing them in a box located in the Youth Room. Carol McKeon, a trained psychologist at Eastern Middlesex, responded to the questions under the guise of Tracy. Her responses appeared on a bulletin board in the Youth Room.

A small group of teens gathered on school vacation weeks to play the board game "Pictionary." Although attendance was low, the game was enjoyed by all who participated.

The Babysitting Clinic held annually in the summer continues to be successful. The Library is grateful to Lynn Reveno of the Melrose-Wakefield Hospital who so graciously conducts the program each year.

Likewise the Monopoly Tournament is also another popular event. This year's tournament was divided into two age levels: those between the ages of eight and ten, and those eleven and older. This year's tournament produced four winners.

Wakefield native Bill Wheeler returns to the Library again and again to assist young people in improving their technique in chess and checkers. The response to his tutorship has gathered a group of approximately twenty participants.

Visits to Wakefield Junior High and St. Joseph's School were made this year. Visits included a talk on the Library's services and a booklist was given to each student proclaiming new YA selections. Students were made aware that the Library was here to serve them and to please feel free to use our services. Teachers were asked to send their assignments in advance to the Young Adults Librarian so that materials could be pulled especially for individual classes.

The Pen Pal Program is still in existence and remains popular with Wakefield young people. The program is now divided into two groups as a result of its popularity. Pen Pals can be obtained for those under ten years old as well as ten and

older. The program now has an international scope matching Wakefield youth with pen pals from Canada to New Zealand.

Respectfully submitted,
SUZANNE MUNDY
Senior Librarian

Report of the Children's Department

Preschool story hours are an introduction to the Library and to books; for many young children it is the first such introduction. The Library attempts to meet the demand for this service by using supplemental staff and volunteers when available.

Reading lists of recommended books were given out to each elementary school child as the summer vacation got under way. A different list was prepared for each grade with additions and subtractions to the list made informally at the suggestion of interested parents and teachers.

The summer reading program involved many young Wakefield residents in learning more about Native Americans. Support for reading from teachers and parents was substantial and was the most important reason for the large amount of reading done by contract.

Some of the special events sponsored by the Library during the summer included Native American basket-making, clay pot production, dancing and Kachina doll-making. There was a Thornton Burgess story with puppets and a visit for the youngest children with a puppeteer-ventriloquist. Indian motif T-shirts were hand-screened. There was even a party with a medicine man's daughter telling stories.

Elizabeth Levy was this year's Author Day guest. All third grade children in Town were brought to the Library for her talk by cooperative efforts of the Parent Teacher Organizations, the School Department and the Library Trustees.

School Department cooperation also resulted in class visits by most elementary students to the Library this past year for library instruction. This instruction included testing skills with games that were an enjoyable means to an end. Another facet of cooperation with the schools was an exhibit of student-produced art at the Library in May.

A number of special events sponsored by the Library through the school year involved children's interests. Nursery school directors talked to parents about expectations in preschool education. Dr. Nathaniel Floyd, psychologist, spoke on children who encounter bullying. Ukrainian egg-decorating was offered to parents and children, and one winter vacation day a magician entertained a group of all ages.

Respectfully submitted,
ISABEL WILBER
Senior Librarian

Report of the Technical Services Department

Technical Services provides access to library materials through the card catalog and through the computer database of the North of Boston Library Exchange, Inc. The NOBLE database actually consists of two computer databases, one (NOBLE Public) serving sixteen public libraries and one special library, and the other (NOBLE Academic) serving five academic libraries and one special library.

Through this combined database, Wakefield patrons have access to a larger number of materials. NOBLE Public database has 425,000 titles listed, and NOBLE Academic has 147,500 titles at this time.

This year, NOBLE was able to install a new telecommunications system that improves access between the public and academic databases. Through the Datalink process, the Library is able to search the databases of the Minuteman and Merrimack Valley library networks.

Respectfully submitted,
REBECCA ROHR
Head of Technical Service

Report of the Adult Literacy Workshop

The national attention being focused on literacy in recent months has had a definite effect upon the Adult Literacy program this year. A record number of students have registered in this the eighteenth year of existence. Forty volunteer tutors are giving of their time to help students learn either to read and write or to speak English. A \$7,000 grant received from the Massachusetts Board of Library Commissioners in the 1987-88 program year has enabled us to update materials significantly. The Library provides effective literacy training for those residents of Wakefield and surrounding towns who are among the 25,000,000 functionally illiterate adults in America.

Respectfully submitted,
JOAN KEECH
Literacy Co-ordinator

Report of

MUNICIPAL LIGHT DEPARTMENT

Report of the Municipal Light Department

To the Citizens of the Town of Wakefield:

Our ninety-fifth Annual Report of the Municipal Light Department covers the fiscal period July 1, 1987 to June 30, 1988.

The total electric sales increased by 4.4% over fiscal year 1986/87 due mainly to the new Edgewater Park Development. The Department has continued to seek more economical sources of power for its customers in order to keep the cost of electricity at a minimum.

Total gas sales increase by 2.5% over fiscal 1986/87, while the purchase gas cost decreased by 5.4% over the same period. We are continuing to upgrade our system to meet the continuing expansion of the distribution system.

SPECIAL TOWN MEETING

FEBRUARY 4, 1988

In the absence of Town Moderator Albert Turco, Assistant Town Clerk Virginia M. Zingarelli called the Special Town Meeting to order at 7:30 p.m. in the auditorium of the Wakefield Junior High School at 525 Main Street, Wakefield, Massachusetts. Requesting motions from the floor to elect a Moderator Pro-Temporare, a motion was made by Selectman James Scott and seconded to elect Mario L. Simeola. The motion carried unanimously.

Moderator Pro-Temporare Simeola, being duly sworn, introduced the High School students who served as pages and also introduced the visitors that had been seated in a designated area of the auditorium. The tellers, who had been duly sworn, were announced.

Mr. Simeola recognized Mr. Harry Petrucci, Chairman of the Finance Committee, who moved that the reading of the Warrant with the exception of the Constable's return be dispensed with. The Constable's return was read by Assistant Town Clerk, Virginia M. Zingarelli.

ARTICLE 1

To see if the Town will vote to approve the amount of the \$5,976,000 debt authorized by vote of the Northeast Metropolitan Regional Vocational School District School Committee adopted on January 7, 1988 for the purpose of reconstructing, remodeling and making extraordinary repairs to the District School, including costs incidental and related thereto.

Northeast Metropolitan Regional Vocational School

On motion by Finance Committee:

Voted: That the Town disapprove the debt of \$5,976,000 authorized by vote of The Northeast Metropolitan Regional Vocational School Committee, adopted on January 7, 1988, for the purpose of reconstructing, remodeling and making extraordinary repairs to the District School, including costs incidental and related thereto.

ARTICLE 2

To see if the Town will vote to raise and appropriate or transfer from available funds a sufficient sum to engage the services of a professional firm or person for the purpose of writing grant applications for community development, infrastructure improvement, or municipal management and service delivery activities, and designing specific projects eligible for these grants, to be expended by the Board of Selectmen.

Board of Selectmen

On motion by Finance Committee:

Voted: That the Town transfer from The Excess & Deficiency Account the sum of \$15,000 to engage the services of a professional firm or person for the purpose of writing grant applications for community development, infrastructure improvement, or municipal management and service delivery activities, and designing specific projects eligible for these grants, funds to be expended by the Board of Selectmen.

ARTICLE 3

To see if the Town will vote to amend its Personnel Administration Bylaw by creating a new position entitled:

Director of Planning and Community Development S-15 or to see what the Town will do about it.

Board of Selectmen

On motion by Finance Committee:

Voted: That the Town amend its Personnel Administration Bylaw by creating a new position entitled:

Director of Planning and Community Development S-15.

ARTICLE 4

To see if the Town will vote to raise and appropriate or transfer from available funds a sufficient sum of money to provide funds for the use of the Director of Planning and Community Development, said sum to be expended in accordance with Line Items as determined by the Finance Committee, or to see what the Town will do about it.

Board of Selectmen

On motion by Finance Committee:

Voted: That the Town transfer from The Excess & Deficiency Account the sum of \$9,000 for the use of the Director of Planning and Community Development, said sum to be expended as follows:

Director of Planning and Community Development — Personal Services Account \$9,000.

ARTICLE 5

To see if the Town will vote to authorize the Council on Aging to hire an Outreach Worker, S-5, and to provide therefor, that the Town raise and appropriate or transfer from available funds, a sufficient sum of money to supplement the Personal Services account of the budget of the Council on Aging for the period July 1, 1987 to June 30, 1988, or to see what the Town will do about it.

Council on Aging

On motion by Finance Committee:

Voted: That the Town authorize the Council on Aging to hire an Outreach Worker, S-5, and to provide therefor, that the Town transfer from The Excess & Deficiency Account the sum of \$3,200 to supplement the Personal Services account of the budget of the Council on Aging for the period July 1, 1987 to June 30, 1988. The Finance Committee motion failed.

On motion of Elsie Freeman

Voted: That the Town authorize the Council on Aging to hire an Assistant to the Director, S-5, and to provide therefor, that the Town transfer from the Excess and Deficiency Account the sum of \$4,000.00 to supplement the Personal Services account of the budget of the Council of Aging, for the period July 1, 1987 to June 30, 1988.

ARTICLE 6

To see if the Town will vote to raise and appropriate or transfer from available funds, a sufficient sum of money to install ramps or other devices to provide accessibility for the handicapped to the Dolbeare and Franklin Schools, said sum of money to be expended by the School Department, or to see what the Town will do about it.

Board of Selectmen

On motion by Finance Committee:

Voted: That the Town transfer from The Excess & Deficiency Account the sum of \$800 to install temporary ramps or other devices to provide accessibility for the handicapped to the Dolbeare and Franklin Schools, said sum of money to be expended by the School Department.

ARTICLE 7

To see if the Town will raise and appropriate or transfer from available balances, a sufficient sum of money to supplement the Traffic Supervisors' Budget for the fiscal period July 1, 1987 to June 30, 1988 to provide for additional Traffic Supervisors, or to see what the Town will do about it.

Board of Selectmen

The motion of the Finance Committee for Indefinite Postponement failed.

On motion of James Scott

Voted: That the Town transfer from the Excess and Deficiency Account the sum of \$3,843.00 to supplement the Traffic Supervisors' Budget for the fiscal period July 1, 1987 to June 30, 1988.

ARTICLE 8

To see if the Town will vote to implement a Collective Bargaining Agreement between the Town of Wakefield and the Wakefield Municipal Administrative, Supervisory and Professional Employees Association, by supplementing the various department budgets for the period July 1, 1987 to June 30, 1988, and to provide therefor, that the Town raise and appropriate or transfer from available funds a sufficient sum of money to carry out the purposes of this Article, or to take any other action in relation thereto.

Board of Selectmen

On motion by Finance Committee:

Voted: That the Town implement a Collective Bargaining Agreement between the Town of Wakefield and the Wakefield Municipal Administrative, Supervisory and Professional Employees Association, for the period July 1, 1987 to June 30, 1988, and to provide therefor, that the Town raise and appropriate the sum of \$44,192; that the sum of \$38,768 be appropriated by transfer from The Excess and Deficiency Account; that the sum of \$4,377 be appropriated by transfer from the Water Surplus Revenue Account; that the sum of \$1,047 be appropriated by transfer from The Offset Receipts 1988 Sewer Use Fees; said sums to supplement the Budgets of the various Departments as follows:

SPECIAL TOWN MEETING SECOND SESSION FEBRUARY 8, 1988

Moderator Albert Turco called the meeting to order at 7:32 p.m. He expressed his appreciation to Town Counsel Mario L. Simeola for filling in for him on February 4, 1988.

Moderator Turco announced the Wakefield High School students who served as pages, the duly sworn tellers, and named the visitors seated in a separate section of the auditorium. The Chairman of the Finance Committee was recognized and proceeded with the discussion of Article 14.

ARTICLE 14

To see if the Town will vote to raise and appropriate or transfer from available balances, a sufficient sum of money to supplement the Professional Services portion of the Legal Department Budget for the fiscal period July 1, 1987 to June 30, 1988, to pay outstanding legal services billings, or to see what the Town will do about it.

Board of Selectmen

On motion by Finance Committee:

Voted Unanimously: That the Town appropriate by transfer from The Excess & Deficiency Account the sum of \$25,000 to supplement the Professional Services portion of the Legal budget for the period July 1, 1987 through June 30, 1988.

ARTICLE 15

To see if the Town will vote to raise and appropriate or transfer from available balances, a sufficient sum of money to indemnify certain Firefighters of the Town of Wakefield for medical, surgical and hospitalization expenses as a result of injuries received by the Firefighters in the performance of their duties, as provided for under Section 100, Chapter 41 of Massachusetts General Laws, in such amount and to such extent as may be recommended by the Board of Selectmen.

Board of Selectmen

On motion by Finance Committee:

Voted: Unanimously that the Town raise and appropriate by transfer from The Excess & Deficiency Account the sum of \$491.56 to carry out the purpose of Article 15.

ARTICLE 16

To see if the Town will vote to raise and appropriate or transfer from available balances, a sufficient sum of money to indemnify certain Police Officers of the Town of Wakefield for medical, surgical and hospitalization expenses as a result of injuries received by the officers in the performance of their duties, as provided for under Section 100, Chapter 41 of Massachusetts General Laws, in such amount and to such extent as may be recommended by the Board of Selectmen.

Board of Selectmen

On motion by Finance Committee:

Voted: Unanimously that the Town raise and appropriate by transfer from The Excess & Deficiency Account the sum of \$2,403.29 to carry out the purpose of Article 16.

ARTICLE 17

To see if the Town will vote to instruct the Moderator to appoint a committee of seven (7) citizens to be called the Town Parking Garage Committee for the purpose of determining the feasibility of locating and constructing a parking garage within the Town of Wakefield; and to determine the availability of state or federal funds to be applied in whole or in part to such project, and in connection therewith, to make application to the appropriate federal or state agency for such grant or grants; and further, that the Town Parking Garage Committee be authorized to enter into a contract or contracts with any persons or firms to assist in the application process, or to perform any necessary or required engineering, architectural or appraisal services in connection with such application process, and to report to a future Town Meeting; and to provide therefor, that the Town raise and appropriate or transfer from available balances a sufficient sum of money, or to take any other action relative thereto.

Board of Selectmen

On motion by Finance Committee:

Voted: That the Town instruct the Moderator to appoint a committee of seven (7) citizens to be called the Town Parking Garage Committee for the purpose of determining the feasibility of locating and constructing a parking garage within the Town of Wakefield; and to determine the availability of state or federal funds to be applied in whole or in part to such project, and in connection therewith, to make application to the appropriate federal or state agency for such grant or grants; and further, that the Town Parking Garage Committee be authorized to enter into a contract or contracts with any persons or firms to assist in the application process, or to perform any necessary or required engineering, architectural or appraisal services in connection with such application process, and to report to a future Town Meeting; and to provide therefor, that the Town transfer from The Excess & Deficiency Account the sum of \$27,000.

The Finance Committee motion failed. The count was: Yes 90; No 126

ARTICLE 18

To see if the Town will vote to raise and appropriate, or transfer from available funds or balances, a sufficient sum of money to conduct a Household Hazardous Waste Collection, said sum of money to be utilized in conjunction with funds available from the Commonwealth of Massachusetts for this purpose; and that the Board of Health be authorized, for and in behalf of the Town, to apply for, receive, and expend without further appropriation, funds available for this purpose by the Commonwealth of Massachusetts; and that the Town, acting by and through the Board of Health prepare specifications and proposals for bidding, and advertise the same, and to enter into a contract or contracts upon such terms and conditions as it may deem advisable or necessary for the collection and proper disposal of household hazardous waste, or to take any action relative thereto.

Household Hazardous Waste Coalition

On motion by Finance Committee:

Voted: Unanimously that the Town transfer from The Excess & Deficiency Account the sum of \$12,000 to conduct a Household Hazardous Waste Collection, said sum of money to be utilized in conjunction with funds available from the Commonwealth of Massachusetts for this purpose; and that the Board of Health be authorized, for and in behalf of the Town, to apply for, receive, and expend without further appropriation, funds available for this purpose by the Commonwealth of Massachusetts; and that the Town, acting by and through the Board of Health prepare specifications and proposals for bidding, and advertise the same, and to enter into a contract or contracts upon such terms and conditions as it may deem advisable or necessary for the collection and proper disposal of household hazardous waste.

ARTICLE 19

To see if the Town will raise and appropriate from tax levy or transfer from available balances, a sum of money to supplement the School Department budget Contractual Services Account for the period July 1, 1987 to June 30, 1988, for the purpose of the removal and/or encapsulation of asbestos located in the school buildings under the control of the School Department, or to see what the Town will do about it.

School Department

On motion by Finance Committee:

Voted: Indefinite Postponement.

ARTICLE 20

To see if the Town will vote to instruct the Moderator to appoint a committee of seven (7) citizens, hereinafter called the School Building Committee, in addition to which, the Superintendent of Schools shall be a non-voting ex-officio member, for the purpose of hiring an engineer and/or an architect to prepare plans, specifications and estimates for an addition or expansion of any or all of the Doyle School, the Walton School, and the Atwell Building, and to report to a future Town Meeting; and to provide therefor, that the Town raise and appropriate or transfer from available funds a sufficient sum of money, or to see what the Town will do about it.

School Committee

On motion by Finance Committee:

Voted: That the Town instruct the Moderator to appoint a committee of seven (7) citizens, hereinafter called the School Building Committee, in addition to which, the Superintendent of Schools shall be a non-voting ex-officio member, for the purpose of hiring an engineer and/or an architect to prepare plans, specifications and estimates for an addition or expansion of any or all of the Doyle School, the Walton School, and the Atwell Building, and to report to a future Town Meeting; and to provide therefor, that the Town transfer from The Excess & Deficiency Account the sum of \$40,000.

ARTICLE 21

To see if the Town will vote to abandon as a way, pursuant to the provisions of Massachusetts General Laws Chapter 82, Section 21, that portion of Everett

Street, so-called, commencing at its intersection with Carey Street and extending therefrom in a northerly direction to its terminus on Nahant Street, and as shown as Everett Street (to be abandoned) on Plan entitled, "Definitive Subdivision Plan of Land in Wakefield, Mass." dated November, 1982, revised April 6, 1983, Hayes Engineering, Inc., and recorded with Middlesex South District Deeds in Book 15015, Page 75, or to see what the Town will do about it.

Mario L. Simeola
Town Counsel

On motion by Finance Committee:

Voted: Unanimously that the town abandon as a way, pursuant to the provisions of Massachusetts General Laws Chapter 82, Section 21, that the portion of Everett Street, so-called, commencing at its intersection with Carey Street and extending therefrom in a northerly direction to its terminus on Nahant Street, and as shown as Everett Street (to be abandoned) on Plan entitled, "Definitive Subdivision Plan of Land in Wakefield, Mass." dated November, 1982, revised April 6, 1983, Hayes Engineering, Inc., and recorded with Middlesex South District Deeds in Book 15015, Page 75,

A $\frac{2}{3}$ vote was required. The vote was unanimous.

ARTICLE 22

To see if the Town will vote to authorize the Conservation Commission, acting for and in behalf of the Town of Wakefield, to take by eminent domain or by purchase, Lot 177, Plat 16 of the Wakefield Assessors' Maps, for conservation purposes, said land to be under the jurisdiction and control of the Conservation Commission; and further, that the Town authorize and empower the conservation Commission to expend funds, if any, in the conservation account established pursuant to Massachusetts General Laws, Chapter 40, section 5, Clause (51), for the purpose of such taking or purchase, in conjunction with any other funds available to the Conservation Commission by any State or Federal fund or grant established for this purpose; and further, that the Town vote to raise and appropriate or transfer from available funds a sufficient sum of money to carry out the purposes of this article, or to see what the Town will do about it.

Carole A. LeBlanc

Finance Committee motion for indefinite postponement carries:
The vote was: Yes 142; No 77

ARTICLE 23

To see if the Town will vote to authorize the Wakefield Housing Authority to enter into a contract with the Commonwealth of Massachusetts acting through the Executive Office of Communities and Development, for the development of elderly housing under Chapter 667 of the Acts of 1954.

Housing Authority

On motion by Finance Committee:

Voted: That the Town authorize the Wakefield Housing Authority to enter into a contract with the Commonwealth of Massachusetts acting through the Executive Office of Communities and Development, for the development of elderly housing under Chapter 667 of the Acts of 1954.

ARTICLE 24

To see if the Town will vote to instruct the Moderator to appoint a committee of seven (7) citizens to be known as the Montrose Fire Station Building Committee, for the purpose of selecting a site for the location of a fire station in the Montrose section of the Town, and to select an architect or engineer to prepare site plans, drawings, and specifications for the construction of a fire station and to report to a future Town Meeting; that the said Montrose Fire Station Building Committee be authorized to expend, under the direction of the Board of Selectmen, any sum of money donated and accepted by the Board of Selectmen for this purpose pursuant to the provisions of Massachusetts General Laws Chapter 44, Section 53A, or to apply for and expend, without further appropriation, any federal or state grants available for such purpose, or to see what the Town will do about it.

David L. Parr

On motion by Finance Committee:

Voted: That the Town instruct the Moderator to appoint a committee of seven (7) citizens to be known as the Montrose Fire Station Building Committee, for the purpose of selecting a site for the location of a fire station in the Montrose section of the Town, and to select an architect or engineer to prepare site plans, drawings, and specifications for the construction of a fire station and to report to a future Town Meeting that the said Montrose Fire Station Building Committee be authorized to expend, under the direction of the Board of Selectmen, any sum of money donated and accepted by the Board of Selectmen for this purpose pursuant to the provisions of Massachusetts General Laws Chapter 44, Section 53A, or to apply for and expend, without further appropriation, any federal or state grants available for such purpose.

Finance Committee Chairman Harry Petrucci interrupted the normal format of the meeting to inform attendees that Moderator Albert Turco would not be seeking re-election. Mr. Petrucci asked for a round of applause as this was Mr. Turco's last Town Meeting as Moderator. Mr. Turco not only received a thunderous round of applause but also a standing ovation in appreciation for a job well done during the years 1981 to 1988.

On motion made by Selectman Scott and seconded by Selectman Cass at 11:01 p.m. that this Special Town Meeting be now dissolved. There were 281 in attendance.

ANNUAL TOWN MEETING MAY 16, 1988

Newly elected Moderator, John L. Harrington, called the 176th Annual town Meeting to order in the auditorium of the Wakefield Junior High School, 525 Main Street, Wakefield, Massachusetts at 7:35 p.m. He introduced the visitors who were seated in a designated area and welcomed the High School students from Mr. Blanchard's Social Studies Classes who served as pages. The tellers were named and duly sworn.

The Moderator informed the attendants of what procedure to follow when addressing questions or making comments on Articles. Mr. Harry Petrucci, Chairman of the Finance Committee was recognized and moved that the reading of the Warrant, with the exception of the Constable's return be dispensed with. The Constable's return was read by the newly elected Town Clerk, Virginia M. Zingarelli.

ARTICLE 1

To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the fiscal period July 1, 1988 to June 30, 1989, in accordance with General Laws, Chapter 44, Section 4, and acts in amendment thereof, and to renew any note or notes as may be given

for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Paul Lazzaro and others

On motion by Finance Committee:

Voted: Unanimously that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the fiscal period July 1, 1988 to June 30, 1989, in accordance with General Laws, Chapter 44, Section 4, and acts in amendment thereof, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Majority vote required. Voted unanimously.

ARTICLE 2

To determine how much money the Town will raise and appropriate for General Government, Protection of Persons and Property, Health and Sanitation, Public Works, Veterans' Benefits, Education, Recreation, Unclassified, Employee's Contributory and Non-Contributory Retirement System and Contributory Group Health, Accident and Life Insurance, Public Service Enterprises, Interest and Maturing Debt, specifying what appropriation shall be taken from the receipts of a department.

Board of Selectmen

On motion by Finance Committee:

That the Town vote to raise and appropriate the sums of money as detailed in the following recommendations for the Fiscal Year July 1, 1988 to June 30, 1989 the grand total amounting to \$31,418,391.00.

The Finance Committee's motion will provide for the breakdown of this amount and the sources thereof in the various classifications as described in the Finance Committee Report.

GENERAL GOVERNMENT

On motion by Finance Committee:

Voted: That the Town raise and appropriate from Tax Levy the sum of \$1,198,726.00 for General Government as follows:

Voted: That the Town transfer from the Excess and Deficiency Account the sum of \$1,513.20 to carry out the purpose of Article 12.

ARTICLE 13

To see if the Town will vote to raise and appropriate a sufficient sum of money as its share of the Town's participation in Mystic Valley Elder Home Care, Incorporated, and to authorize the Board of Selectmen to apply for any federal or state Grants for this purpose, as such Grants become available and applicable, and to expend same without further appropriation.

Council on Aging

On motion by Finance Committee:

Voted: That the Town raise and appropriate from Tax Levy the sum of \$7,489.00 as its share of the Town's participation in Mystic Valley Elder Home Care, Incorporated, and to authorize the Board of Selectmen to apply for any federal or state Grants for this purpose, as such Grants become available and applicable, and to expend same without further appropriation.

Selectman Charles Curley moved to adjourn meeting to Monday, May 23, 1988. Meeting adjourned at 10:25 P.M. with 336 in attendance.

ANNUAL TOWN MEETING — THIRD SESSION

May 23, 1988

Mr. John Harrington, Moderator, called the meeting to order at 7:30 P.M. He then announced pages and tellers who had been duly sworn. The moderator recognized Mr. Harry Petrucci, who discussed the Wetlands Article. Mr. Berlyn Flint then read a prepared statement as a proponent of Article 14.

ARTICLE 14

To see if the Town will vote to amend the General Bylaws of the Town by adding thereto a new Chapter XXI called the Wetland Protection Bylaw as follows:

CHAPTER XXI WETLAND PROTECTION BYLAW

Section 1: Purpose of Bylaw

The purpose of this Bylaw is to protect the wetlands of the Town of Wakefield by controlling activities deemed to have a significant effect upon wetland values, including but not limited to the following: Public or private water supply, ground-water supply, flood control, erosion control, storm damage prevention, water pollution, plants, fisheries, shellfish, wildlife, recreation and aesthetics — collectively, the “interests protected by this Bylaw.”

Section 2: Definitions

The following definitions shall apply in the interpretation and implementation of this Bylaw:

The term “person” shall include any individual, group of individuals, association, partnership, corporation, company, business organization, trust, estate, the Commonwealth or political subdivision thereof to the extent subject to Town Bylaws, administrative agency, public or quasi-public corporation or body, this municipality, and any other legal entity, its legal representatives, agents, or assigns.

The term “alter” shall include, without limitation, the following activities when undertaken to, upon, within or affecting resource areas protected by this Bylaw:

- a. Removal, excavation, or dredging of soil, sand, gravel, or aggregate materials of any kind.
- b. Changing of pre-existing drainage characteristics, flushing characteristics, salinity distribution, sedimentation patterns, flow patterns, or flood retention characteristics.
- c. Drainage or other disturbance of water level or water table.
- d. Dumping, discharging, or filling with any material which may degrade water quality.
- e. Placing of fill or removal of material which would alter elevation.
- f. Driving of piles, erection or repair of buildings or structures of any kind.
- g. Placing of obstructions or objects in water.
- h. Destruction of plant life, including cutting of trees.
- i. Changing water temperature, biochemical oxygen demand, or other physical or chemical characteristics of water.
- j. Any activities, changes or work which may cause or tend to contribute to pollution of any body of water or groundwater.

The term “inundation by groundwater” means having groundwater at or near the surface of the ground at least six (6) months of the year.

One hundred (100) feet of the 100-year stormline is defined as that area of land extending 100 feet horizontally outward from that point.

Section 3: Scope

No person shall remove, fill, dredge, alter, or build upon or within one hundred (100) feet of any bank, fresh water wetland, beach, marsh, meadow, bog, swamp, or lands bordering or on any creek, river, stream, pond or lake or any land under said waters or any land subject to flooding or inundation by groundwater or surface water, or within one hundred (100) feet of the 100-year storm line; or no person shall apply any chemical or other substance containing an environmental warning of any kind (i.e., dangerous, risk to wildlife or pets, as prohibited by State and Federal laws) without first filing written application for a permit so as to remove, fill, dredge, alter, or build upon, including such plans as may be necessary to describe such proposed activity and its effect on the environment, and receiving and complying with a permit issued by the Conservation Commission, hereafter referred to as the "Commission."

Section 4: Exceptions

The application and permit required by this Bylaw shall not be required for maintaining, repairing, or replacing, but not substantially changing or enlarging, an existing and lawfully-located structure or facility used in the service of the public to provide electric, gas, water, telephone, telegraph or other telecommunication services, provided that the structure or facility is not substantially changed or enlarged, provided that written notice has been given to the Commission prior to the commencement of work, and provided that the work conforms to performance standards and design specifications in regulations adopted by the Commission.

The application and permit required by this Bylaw shall not apply to emergency projects necessary for the protection of the health or safety of the public, provided that the work is to be performed by or has been ordered to be performed by an agency of the Commonwealth or a political subdivision thereof; provided that advance notice, oral or written, has been given to the Commission prior to the commencement of work or within twenty-four (24) hours after commencement; provided that the Commission or its agent certifies the work as an emergency project; provided that the work is performed only for the time and place certified by the Commission for the limited purposes necessary to abate the emergency; and provided that within twenty-one (21) days of commencement of an emergency project a permit application shall be filed with the Commission for review as provided by this Bylaw. Upon failure to meet these requirements of the Commission, the Commission may, after notice and public hearing, revoke or modify an emergency project approval and order restoration and mitigation measures.

Other than stated in this section, the exceptions provided in the Wetlands Protection Act shall not apply.

Section 5: Determination of Applicability

Any person may request that the Commission make a determination as to whether or not this Bylaw applies to a particular area of land.

This request shall be sent by Certified Mail or hand-delivered to the Commission or its authorized representative. The person hand-delivering the Request will be given a dated receipt. If the Applicant is other than the Owner, the Applicant shall simultaneously send a copy of the request to the Owner by Certified Mail.

The Commission shall determine, within twenty-one (21) days of such request, whether this Bylaw or the Wetlands Protection Act, Massachusetts General Laws Chapter 131, Section 40, or successor statutes does apply to the particular area of land.

A Determination of Applicability will be issued by the Commission and will be sent to the applicant via Certified Mail. If the applicant is other than the owner, the Commission shall simultaneously send a copy of the Determination of Applicability to the owner via Certified Mail.

Section 6: Notice of Intent

Any person who proposes to do work that will alter any area subject to protection under this Bylaw shall submit a Notice of Intent to the Commission. This Notice shall be filed on a form available from the Commission.

The Notice shall include such information and plans as are deemed necessary by the Commission to describe the proposed activities and their effects on the environment. Plans submitted with the Notice of Intent shall denote all resource areas and delineate the 100-foot buffer zone. Erosion control plans, describing all methods to control erosion and siltation on site, temporarily and permanently, should be noted. All plans must be stamped and signed by a duly qualified registered professional engineer or registered land surveyor of the Commonwealth of Massachusetts. No activities shall commence without receiving and complying with a permit issued pursuant to this Bylaw.

The Notice of Intent must be filed simultaneously with all requests for permits, variances or other approvals required by the Planning Board or Building Inspector or under other Town Bylaws, the Subdivision Control Law or other applicable regulations. Other approvals, permits, and variances required under other Town Bylaws, the Subdivision Control Law, or other applicable regulations shall not be issued prior to the approval by the Commission of the Notice of Intent and, if any, Orders of Condition.

The Commission is authorized to require the applicant to pay the costs and expenses of any expert consultant deemed necessary by the Commission to review the application or request up to the maximum specified in Section 21 (Fee Schedule). The Commission may waive the filing fee and costs and expenses for a Notice filed by a government agency.

The Notice of Intent shall be accompanied by a check for the amount of the Filing Fee and payable to the Town. (See Section 21 — Fee Schedule)

The Notice of Intent shall be sent by Certified Mail or shall be hand-delivered to the Commission or its authorized representative. The person hand-delivering the Notice of Intent shall be given a dated receipt. Copies of the Notice of Intent shall be sent by the Applicant, at the time, by Certified Mail or hand-delivered to the Owner if other than the Applicant, the Planning Board, Town Engineer, the Board of Appeals, the Board of Health, the Fire Chief, the Building Inspector and the Department of Environmental Quality Engineering (D.E.Q.E.). The Notice of Intent shall be delivered to the Conservation Commission with a certification that all abutters to the area, subject to the Notice of Intent, have been sent notice that a Notice of Intent has been filed hereunder, and to any other person as the Commission may by regulation determine.

Section 7: Public Hearing

The Commission shall hold a Public Hearing on the Notice of Intent within twenty-one (21) days of the filing of such Notice. Notice of the date, time, and place of the Public Hearing shall be given by the Commission, at the expense of the applicant, not less than five (5) business days prior to the date of the hearing, by publication in a newspaper having general circulation in the Town and which the Town generally uses for purposes of public notification and by mailing a notice to the Applicant and Owner, if not the Applicant, the Board of Health, the Board of Appeals, the Planning Board, the Town Engineer, the Fire Chief, the Building Inspector, and to abutters. A list of abutters to be notified shall be provided to

the Commission by the Application prior to the Public Hearing. Such Hearing may be held at the same time and place as any hearing required to be held under G.L. Ch. 131, Section 40, or successor statutes. If the Commission determines that additional information is necessary, the Hearing may be continued to a future date. In the event the Applicant objects to a continuance or postponement, the Hearing shall be closed and the Commission shall take action on such information as is available.

Section 8: Burden of Proof

The Applicant shall have the burden of proving by a preponderance of credible evidence that the work proposed in the Notice of Intent will not harm the interests protected by this Bylaw. Failure to provide adequate evidence to the Commission to support a determination that the proposed work, as stated in the Notice of Intent, will not harm the interests protected by this Bylaw shall be sufficient cause for the Commission to deny a permit or grant a permit with conditions.

Section 9: Order of Conditions

If after the Public Hearing(s), the Commission determines that the land on which the proposed work, as described in the Notice of Intent, is significant to the interests protected by this Bylaw, it shall by written order, within twenty-one (21) days or such further time as is mutually agreeable to the Commission and the Applicant, impose such conditions as the Commission determines are reasonably necessary or desirable for the protection of interests protected by this Bylaw.

The Commission may impose such conditions on any proposed removing, filling, dredging, altering, or building, as described in the Notice of Intent, as it deems necessary to protect and preserve the interests covered by this Bylaw.

The Order of Conditions shall be in writing and may be subject to the same constraints as any such order issued by the Commission under the provisions of G.L. 131, Section 40, or successor statutes.

If the Commission determines that the area which is the subject of the Notice of Intent is not significant to the interests protected by this Bylaw, or that the proposed activity does not require the imposition of conditions, it shall issue a permit without conditions within twenty-one (21) days of the closing of the Public Hearing. The Applicant and all other interested parties who received notice of the Public Hearing(s) by mail shall be notified of such determination by the Commission within twenty-one (21) days of the closing of the hearing(s).

Order of Conditions shall expire one (1) year from the date of issuance. All work proposed in the Notice of Intent will be performed in accordance with the conditions as stated in the written Order of Conditions of the commission and shall be completed during the period while the order of Conditions is in force. In the event the work, as described in the Notice of Intent and as may be limited or proscribed in the Order of Conditions, is not completed within the one-year period the Order of Conditions is initially in force, then at least thirty (30) days prior to expiration of the Order of Conditions, the applicant must apply for an extension if work is to continue. If plan specifications, as contained in the Notice of Intent, remain unchanged, one extension period for a reasonable period of time may be approved by the Commission for the completion of the project, with such period of time being determined by the Commission. No work may be performed on the area which is the subject of the Notice of Intent or the Order of Conditions after the expiration date of the Order of Conditions unless an extension of the Order of Conditions has been applied for and has been approved by the Commission.

Should the proposed work, as described in the Notice of Intent and as may be limited or proscribed in the Order of Conditions, not commence during the period of the initial Order of Conditions or of subsequent extension periods, the Appli-

cant is required to refile a new Notice of Intent and Filing Fee prior to any work commencing.

No proposed work governed by the Order of Conditions shall be undertaken until all permits, variances, and approvals required by the local Bylaws have been obtained and all applicable appeal periods have been expired.

Section 10: Denial

The Commission is empowered to deny permission for or to limit any removal, filling, dredging, altering or building on subject lands within the Town if, in its judgement, such denial is necessary to assure the interests protected by this Bylaw.

Section 11: Relationship to the Wetlands Protection Act

This Bylaw is adopted under the Home Rule Amendment of the Massachusetts Constitution and the Home Rule statutes, independent of the Wetlands Protection Act, G.L. c. 131, Section 40, and regulations thereunder. The Commission may at its discretion use the same forms and process applications at the same time as those required by the Wetlands Protection Act.

Section 12. Additional Information

At any time up to the closing of the Public Hearing(s), the Commission may require such additional information from the Applicant as the Commission reasonably deems necessary.

Section 13: Entry Upon Land

The Commission, its agents, and employees may enter upon privately-owned land for the purpose of performing their duties under this Bylaw.

Section 14: Recording

A certified copy of all Orders of Conditions and any statements of compliance issued by the Commission shall be recorded by the Applicant with the Registry of Deeds of Middlesex County for the property defined in the Order. Evidence certifying that the Order of Conditions has been recorded must be returned to the Commission before any work may begin on the area which is the subject of the order.

Section 15: Pre-Acquisition Violation

Any person or entity purchasing, inheriting, or otherwise acquiring real estate upon which work has been done in violation of the provisions of this Bylaw, or in violation of any permit or Order of Conditions issued pursuant to this Bylaw, shall forthwith comply with any such order or restore such real estate to its condition prior to any violation.

Section 16: Legal Action

The Commission may instruct the Town Counsel to take such legal action as may be necessary to restrain a violation of this Bylaw and enforce the orders of the Commission hereunder and the Town Counsel shall forthwith comply with such instructions.

Section 17: Regulations

After due notice and public hearing(s), the Commission may promulgate rules and regulations to effectuate the purposes of this Bylaw. Failure by the commission to promulgate such rules and regulations or a legal declaration of their invalidity by a court of law shall not act to suspend or invalidate the effect of this Bylaw.

Section 18: Security

The Commission may require, as a permit condition, that the performance and observance of other conditions be secured by one or both of the following methods:

- a. By a bond or deposit of money or negotiable securities in an amount determined by the Commission to be sufficient to secure performance of conditions and observance of the safeguards of such Orders of Conditions and payable to the Town of Wakefield upon default;
- b. By a conservation restriction, easement, or by a covenant, executed and duly recorded by the owner of record, running with the land, whereby the conditions and safeguards included in such Order of Conditions shall be performed before any lot may be conveyed other than by mortgage deed.

Section 19: Enforcement

Any person or entity that violates any provision of this Bylaw or of any conditions of a permit issued pursuant to it shall be punished by a fine of not more than Three Hundred Dollars (\$300.00).

Each day or portion thereof during which a violation continues shall constitute a separate offense; if more than one, each provision violated shall constitute a separate offense. This Bylaw may be enforced pursuant to Massachusetts General Laws, Chapter 40, Section 21D, by a Town police officer or other officer having police powers. Upon request of the Commission, the Town Counsel shall take such legal action as may be necessary to enforce this Bylaw and permits issued pursuant to it.

Section 20: Invalidity

The invalidity of any section or provision of this Bylaw shall not invalidate any other section or provision thereof, nor shall it invalidate any Order of Conditions, which have previously become final.

Section 21: Fee Schedule

Rules

1. Permit fees are payable at the time of application and are non-refundable.
2. Permit fees shall be calculated by the commission per the fee schedule below.
3. Town, County, State, and Federal projects may be exempted from fees.
4. Failure to comply with the terms of this Bylaw after official notification shall result in fees twice those normally assessed.

Fees:

1. Minor project (house addition, tennis court, swimming pool, utility work, etc.) \$ 50.00
2. Maintenance activity (work in, on or affecting any body of water, wetland, or flood plain) \$ 50.00
3. Single-family dwelling \$400.00
4. Subdivisions (road and utilities only) \$400.00
plus \$2.00 per foot of roadway within the buffer zone or within land that is subject to flooding.
5. Multiple dwelling structure \$400.00
plus \$100.00 per unit all or part of which lies within the buffer zone
6. Commercial and industrial projects \$500.00
plus \$.50/sq. ft. of wetlands disturbed plus \$.02/sq. ft. of land that is subject to flooding or 100 ft. buffer disturbed

7. Extensions

- a. Single-family dwelling, minor project or maintenance activity \$ 25.00
- b. Other \$ 50.00

8. Refilings or previously-denied projects within three (3) years

Original fee or \$1000.00,
whichever is less

9. Requests for determination

\$ 0.00

10. Consultant fees (if required on commercial, industrial or subdivision projects

\$2500.00 maximum

or to see what the Town will do about it.

CONSERVATION COMMISSION

The Finance Committee motion for Indefinite Postponement passed at 9:35 P.M.
The vote was: Yes 219, No 93

ARTICLE 15

To see if the Town will vote to amend the General Bylaws of the Town by deleting Chapter VIII, Plumbing Regulations, and inserting the following in place thereof:

CHAPTER VIII

**PROCEDURES FOR NOTICE OF DEMOLITION OF A SIGNIFICANT
BUILDING DETERMINED BY THE WAKEFIELD HISTORICAL
COMMISSION TO BE HISTORICALLY OR
ARCHITECTURALLY SIGNIFICANT**

Section 1. Intent and Purpose.

This by-law is adopted for the purpose of preserving and protecting, through advance notice of their proposed demolition, significant buildings within the Town which constitute or reflect distinctive features of the architectural, cultural, political, economic or social history of the town; to encourage owners of preferably-preserved significant buildings to seek out persons who might be willing to purchase and to preserve, rehabilitate, or restore such buildings, rather than demolish them; and by furthering these purposes to promote the public welfare, to preserve the resources of the Town, and to make the Town a more attractive and desirable place in which to live. To achieve these purposes, the Wakefield Historical Commission is empowered to advise the Wakefield Building Inspector with respect to the issuance of permits for demolition, and the issuance of demolition permits for significant buildings is regulated as provided in this by-law.

Section 2. Definitions.

The following terms, when used whether or not capitalized in this by-law, shall have the meanings set forth below unless the context otherwise requires.

2.1 "Building" — any combination of materials forming a shelter for persons, animals or property.

2.2 "Significant building" — any building:

- (a) which is listed on, or is within an area listed on, the National Register of Historic Places, or which is the subject of a pending application for listing on said National Register; or
- (b) which is or has been listed on an inventory provided to the Building Inspector by the Commission.

2.3 "**Preferably-preserved significant building**" — any significant building which the Commission determines is in the public interest to be preserved or rehabilitated rather than to be demolished.

2.4 "**Commission**" — the Wakefield Historical Commission.

2.5 "**Commission staff**" — the chairperson of the Commission, or any person to whom the Commission has delegated authority to act as commission staff under this by-law.

2.6 "**Inventory**" — a list of buildings on file at the Massachusetts Historical Commission that have been designated by the Commission to be significant buildings after a finding by the Commission that a building either

(i) is importantly associated with one or more historic persons or events, or with the broad architectural, cultural, political, economic or social history of the Town or the Commonwealth, or

(ii) is historically or architecturally significant (in terms of period, style, method of building construction, or association with a famous architect or builder) either by itself or in the context of a group of buildings.

2.7 "**Building Inspector**" — the person occupying the office of Building Inspector or otherwise authorized to issue demolition permits.

2.8 "**Application**" — an application for a permit for the demolition of a building.

2.9 "**Permit**" — a permit issued by the Building Inspector for demolition of a building pursuant to an application therefor.

2.10 "**Demolition**" — the act of pulling down, destroying, removing, or razing a building, or commencing the work of total or substantial destruction with the intent of completing the same.

2.11 "**Business day**" — a day which is not a legal municipal holiday, Saturday or Sunday.

Section 3. Procedure.

3.1 The Building Inspector, on the day of receipt of an application for demolition of a listed significant building or within the next five successive business days, shall cause a copy of each such application for a demolition permit to be forwarded to (or shall satisfy himself that a duplicate of such application has been submitted to) the Commission. No demolition permit shall be issued at that time.

3.2 The Commission shall fix a reasonable time, within 30 days of receiving a copy of such application, for a hearing on any application and shall give public notice thereof by publishing notice of the time, place, and purpose of the hearing in a local newspaper at least fourteen days before said hearing and also, within seven days of said hearing, mail a copy of said notice to the applicant, to the owners of all adjoining properties and all property deemed by the Commission to be affected thereby as they appear on the most recent local tax list, to the Wakefield Planning Board and to such other persons as the Commission shall deem entitled to notice.

3.3 If, after such hearing, the Commission determines that the demolition of the significant building would not be detrimental to the historical or architectural heritage or resources of the Town, the Commission shall so notify the Building Inspector within ten (10) days of such determination. Upon receipt of such notification, or after the expiration of fifteen (15) days from the date of the conclusion of the hearing if he has not receive notification from the Commission, the Building

Inspector may, subject to the requirements of the State Building Code and any other applicable laws, by-laws, rules and regulations issue the demolition permit.

3.4 If the Commission determines that the demolition of the significant building would be detrimental to the historical or architectural heritage or resources of the Town, such building shall be considered a preferably-preserved significant building.

3.5 Upon a determination by the Commission that the significant building which is the subject of the application for a demolition permit is a preferably-preserved significant building, the Commission shall so advise the applicant and the Building Inspector, and no demolition permit may be issued until at least six months after the date of the application for demolition.

3.6 Notwithstanding the preceding sentence, the Building Inspector may issue a demolition permit for a preferably-preserved significant building at any time after receipt of written advice from the Commission to the effect that either

- (a) the Commission is satisfied that there is no reasonable likelihood that either the owner or some other person or group is willing to purchase, preserve, rehabilitate or restore such building, or
- (b) the Commission is satisfied that for at least six months the owner has made continuing, bona fide and reasonable efforts to locate a purchaser to preserve, rehabilitate and restore the subject building, and that such efforts have been unsuccessful.

3.7 No permit for erection of a new structure on the site of an existing significant building may be issued prior to issuance of a permit for demolition of such existing building.

Section 4. Emergency Demolition.

Nothing in this article shall be construed to derogate in any way from the authority of the Inspector of Buildings derived from Chapter 143 of the General Laws. However, before acting pursuant to this chapter the Inspector of Buildings shall make every reasonable effort to inform the Chairperson of the Historical Commission of his intentions to cause demolition before he initiates same.

Section 5. Severability.

If any section, paragraph or part of by-law is for any reason declared invalid or unconstitutional by any court, every other section, paragraph shall continue in full force and effect:

Or take any other action related thereto.

Wakefield Historical Commission

Finance Committee motion for Indefinite Postponement failed. The vote was Yes 56, No 76

Motion by Wakefield Historical Commission presented by Henry McConville:

The Wakefield Historical Commission moves that the Town vote to amend the General By-laws of the Town by deleting Chapter VIII, plumbing regulations, and inserting in place thereof the Chapter VIII as set out in the Finance Committee's recommendations under Article 15 of the warrant for the 1988 Annual Town Meeting.

Voted Unanimously: That the Town amend the General By-laws of the Town by deleting Chapter VIII, plumbing regulations, and inserting in place thereof the Chapter VIII as set out in the Finance Committees' recommendations under Article 15 of the warrant for the 1988 Annual Town Meeting.

Selectman Charles Curley moved for adjournment to Thursday, May 26, 1988 in the auditorium of the Wakefield Junior High School. The meeting adjourned at 10:47 P.M. with 366 in attendance.

A TRUE RECORD
ATTEST:

THELMA E. RENNARD
Temporary Town Clerk

Boston, Massachusetts

September 6, 1988

The foregoing amendment to the General By-laws adopted under Article 15 of the warrant for the Wakefield Annual Town Meeting that convened May 16, 1988, is hereby approved.

S/James M. Shannon
Attorney General

ANNUAL TOWN MEETING — FOURTH SESSION MAY 26, 1988

Moderator John Harrington opened the meeting at 7:35 P.M. His announcement of the pages was met with applause. The tellers were selected and duly sworn. The moderator recognized Mr. Petrucci for the purpose of discussing Article 16.

ARTICLE 16

To see if the Town will vote to raise and appropriate or transfer from available funds, a sufficient sum of money for the construction and repair of the roof, exterior siding, and windows of the Colonel James Hartshorne House and that the Historical Commission, established pursuant to Article 4 of the Special Town Meeting of September 10, 1984, be authorized to apply for and receive any available grants or matching federal or state funds for this purpose; and that the same be expended under the direction of the Board of Directors of the Hartshorne House Association in conjunction with the Historical Commission, or to see what the Town will do about it.

Historical Commission

On motion of Finance Committee:

Voted: That the Town raise and appropriate from Tax Levy the sum of \$20,000.00 for the construction and repair of the roof of the Colonel James Hart-

shorne House and that the Historical Commission, established pursuant to Article 4 of the Special Town Meeting of September 10, 1984, be authorized to apply for and receive any available grants or matching federal or state funds for this purpose; and that the same be expended under the direction of the Board of Directors of the Hartshorne House Association in conjunction with the Historical Commission.

ARTICLE 17

To see if the Town will vote to raise and appropriate a sufficient sum of money for the purpose of replacing the lighting units at Walton Junior High School field; said work to be done by the Wakefield Municipal Light Department under the direction of the Wakefield Recreation Commission, or to see what the Town will do about it.

Recreation Commission

Finance Committee motion for Indefinite Postponement was defeated. The vote was Yes 40, No 51.

Finance Committee motion as amended by Roger Maloney:

Voted: That the Town replace the lighting units at Walton Junior High School Field, said work to be done by the Wakefield Municipal Light Department under the direction of the Recreation Commission, and to provide for same. That the Town transfer from the Excess and Deficiency Account, the sum of \$5,900.00.

ARTICLE 18

To see if the Town will vote to raise and appropriate or transfer from available balances a sufficient sum of money for the repair of the tennis court, the fencing, and the bituminous area around the court at Mapleway Playground, and to install a safety guard rail between the court and the parking lot; said work to be done under the direction of the Wakefield Recreation Commission, or to see what the Town will do about it.

Recreation Commission

On motion of Finance Committee:

Voted: Indefinite Postponement.

ARTICLE 19

To see if the Town will vote to raise and appropriate from tax levy or transfer from available balances, a sum of money for the purpose of the removal and/or encapsulation of asbestos located in the school buildings under the control of the School Department, or to see what the Town will do about it.

School Committee

On motion by Finance Committee:

Voted: Indefinite Postponement

ARTICLE 20

To see if the Town will vote to raise and appropriate or transfer from available balances, a sufficient sum of money to supplement article 20 of the Special Town

Meeting of February 4, 1988 for the purpose of hiring an engineer and/or an architect to prepare plans, specifications and estimates for an addition or expansion of any or all of the Doyle School, the Walton School and the Atwell Building, or to see what the Town will do about it.

School Committee

On motion by Finance Committee:

Voted: Indefinite Postponement

ARTICLE 21

To see if the Town will vote to implement a Collective Bargaining Agreement between the Wakefield School Committee and the Maintenance and Operations Personnel by supplementing the School Department budget for the period July 1, 1987 through June 30, 1988, and to provide therefor, that the Town raise and appropriate or transfer from available funds a sufficient sum of money to carry out the purposes of this article, or to take any other action in relation thereto.

School Committee

On motion of Finance Committee:

Voted: That the Town implement a Collective Bargaining Agreement between the Wakefield School Committee and the Maintenance and Operations Personnel by supplementing the School's Personnel Account for the period July 1, 1987 through June 30, 1988, and to provide therefor, that the Town transfer from the Excess and Deficiency Account the sum of \$50,109.00.

ARTICLE 22

To see if the Town will vote to raise and appropriate a sum of money to be used by the East Middlesex Association for Retarded Citizens in the implementation of its program under the provisions of Chapter 19 of the General Laws, said sum of money to be expended under the direction of the Board of Health, as provided in Chapter 40, Section 5, Subsection 40C of the General Laws.

East Middlesex Association for Retarded Citizens, Inc.

On motion by Finance Committee:

Voted: That the Town raise and appropriate from Tax Levy the sum of \$11,576.00 to be used by the East Middlesex Association for Retarded Citizens in the implementation of its program under the provisions of Chapter 19 of the General Laws, said sum of money to be expended under the direction of the Board of Health, as provided in Chapter 40, Section 5, Subsection 40C of the General Laws.

ARTICLE 23

To see if the Town will vote to raise and appropriate a sum of money to cover the cost of participation of retarded children of the town of Wakefield in the Retarded Children Camp Program.

East Middlesex Association for Retarded Citizens, Inc.

On motion by Finance Committee:

Voted: That the Town raise and appropriate from Tax Levy the sum of \$2,205.00 to carry out the purpose of Article 23.

ARTICLE 24

To see if the Town will vote to provide cooperative facilities to mental outpatient clinics and for payment for services to be rendered for such clinics in ac-

cordance with the provisions of General Laws, Chapter 40, the same to be expended under the direction of the Board of Health for the Town of Wakefield; and to raise and appropriate a sufficient sum of money to carry out the purposes of this Article.

Board of Health

On motion by Finance Committee:

Voted: That the Town raise and appropriate from Tax Levy the sum of \$10,000.00 to carry out the purpose of Article 24.

ARTICLE 25

To see if the Town will vote to raise and appropriate a sufficient sum of money for mosquito control, such sum of money to be expended under the direction of the Board of Health.

Board of Health

On motion by Finance Committee:

Voted: That the Town raise and appropriate from Tax Levy the sum of \$13,500.00 to carry out the purpose of Article 25.

ARTICLE 26

To see if the Town will vote to amend the General Bylaws of the Town by adding to Chapter VII, WAYS, Section 20, as follows:

Section 20. No person owning, possessing, or in control of a dog shall allow such dog to be upon any publicly-owned parks, playgrounds or cemeteries, whether such dog is restrained or otherwise.

It shall be the duty of each such person who owns, possesses or controls a dog to remove any feces left by such dog upon any sidewalk or street.

The person shall remove the feces and carry it away from such public area for disposal in a private toilet facility or upon the property of such person. The feces shall not be placed in any container for rubbish collection by the Town of Wakefield or any contractor hired by the Town.

Any person violating the provisions of this Bylaw shall be fined \$50.00.

The provisions of this Bylaw shall not apply to a guide dog accompanying any blind person.

Board of Health

On motion by Finance Committee:

Voted: Indefinite Postponement

The motion by the Finance Committee for Indefinite Postponement carried the vote was: Yes 45; No 42

ARTICLE 27

To see if the Town will vote to approve the amount of the \$5,976,000. Debt authorized by vote of the Northeast Metropolitan Regional Vocational School District School Committee adopted on January 7, 1988 for the purpose of reconstructing, remodeling and making extraordinary repairs to the district school, including costs incidental and related thereto.

Northeast Metropolitan Regional Vocational School

On motion by Finance Committee:

Voted: That the Town disapprove the debt of \$5,976,000 authorized by vote of The Northeast Metropolitan Regional Vocational School Committee, adopted on January 7, 1988, for the purpose of reconstructing, remodeling and making extraordinary repairs to the District School, including cost incidental and related thereto.

ARTICLE 28

To see if the Town will vote to authorize the Board of Public Works to accept, or take by eminent domain proceedings, conveyances or easements from time to time, giving the Town the right to construct and maintain drains, sewers, water lines, retaining walls and streets, and to raise and appropriate a sufficient sum of money to carry out the purpose of this article.

Board of Public Works

On motion by Finance Committee:

Voted: That the Town authorize the Board of Public Works to accept, or take by eminent domain proceedings, conveyances or easements from time to time, giving the Town the right to construct and maintain drains, sewers, water lines, retaining walls and streets, and to provide therefor, the Town raise and appropriate from Tax Levy the sum of \$1.00.

A $\frac{2}{3}$ vote was required. The motion of the Finance Committee carried.

ARTICLE 29

To see if the Town will vote to raise and appropriate a sum of money for the collection and/or disposal of garbage, rubbish and refuse, or to take any other action in relation thereto.

Board of Public Works

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$673,000 for the collection and/or disposal of garbage, rubbish and refuse, and to provide therefor, the sum of \$656,885.42 be raised and appropriated from Tax Levy and the sum of \$16,114.58 be appropriated by transfer from the following available balances:

Article		Description	Amount
Year	No.		
1987	9	Special Town Meeting 6-19-86	
		BPW Wage & Classification Study	\$1,144.74
1987	1	Special Town Meeting 6-19-86	
		Sewer Construction Western Ave.	9,285.95
1985	24	Indemnify Police Officers	123.90
1986	18	Indemnify Fire Fighters	85.00
1984	25	735 Drug Prevention Program	750.00
1980	45	Construction of Traffic Lights	
		Broadway & Doyle Ave.	4,724.99

ARTICLE 30

To see if the Town will vote to raise and appropriate a sufficient sum of money to be used in conjunction with, and in addition to, any funds allotted by the Commonwealth for the construction, reconstruction, and improvement of Town roads

and to further authorize the Board of Public Works to expend any interest earned on such grants for the same purpose as said grants were made and to authorize the Treasurer, with the approval of Board of Selectmen, to borrow and issue notes or bonds of the Town in anticipation of reimbursements from the Commonwealth, and to authorize the Board of Public Works to acquire by purchase or eminent domain proceedings, rights and easements necessary in connection therewith, or to take any other action in relation thereto.

Board of Public Works

On motion by Finance Committee:

Voted: Unanimously that the Town authorize the Board of Public Works to apply for, receive and expend, any funds allotted by the Commonwealth for the construction, reconstruction, and improvement of Town roads and to further authorize the Board of Public Works to expend any interest earned on such grants for the same purpose as said grants were made and to authorize the Treasurer, with the approval of the Board of Selectmen, to borrow and issue notes or bonds of the Town in anticipation of reimbursements from the Commonwealth, and to authorize the Board of Public Works to acquire by purchase or eminent domain proceedings, rights, and easements necessary in connection therewith, and to provide therefor, the Town raise and appropriate from Tax Levy the sum of \$1.00.

ARTICLE 31

To see if the Town will vote to raise and appropriate a sufficient sum of money to conduct an Engineering and Traffic Study, for the Main Street By-Pass "so called" or to take any other action in relation thereto.

Board of Public Works

Indefinite Postponement

Motion of the Finance Committee for indefinite postponement failed.

On motion as amended by Sam Benedetto:

Voted: That the Town instruct the Moderator to appoint a committee of seven (7) residents herein after called the "Main Street Bypass Committee" to study the feasibility of opening the Main Street bypass, so-called, between Richardson and Water Streets, and to report their findings to the next annual town meeting.

ARTICLE 32

To see if the Town will vote to raise and appropriate a sufficient sum of money to reconstruct the intersection of Church and Common Streets, or take any other action in relation thereto.

Board of Public Works

On motion by Finance Committee:

Voted: Indefinite Postponement

ARTICLE 33

To see if the Town will vote to amend its Bylaws by deleting therefrom Chapter VI, the so-called Zoning bylaws, and substituting in place thereof a new Chapter VI, as follows:

"CHAPTER VI ZONING BYLAWS"

and to provide therefor, that the Town raise and appropriate or transfer from available balances, a sufficient sum of money for the printing and publication of booklets or pamphlets containing the said Zoning Bylaws, or to see what the Town will do about it.

Planning Board

Motion by Planning Board:

That the Town vote to amend its Bylaws by deleting therefrom Chapter VI, the so-called Zoning Bylaws, and substituting in place thereof a new Chapter VI as set forth in Article 33 as it appears in the Finance Committee Recommendation Booklet, together with the amendments contained in the document entitled "Amendments to Proposed Wakefield Zoning Bylaws Dated March 1, 1988" and dated May 16, 1988; said document being handed out to the Town Meeting this evening and attached hereto.

Muriel McConville moved to amend the main motion by the Planning Board under Section 9e:

Voted: Restoration after fire to be modified to read, "Any non-conforming structure may be restored and used regardless of the estimated restoration cost, provided that the new or restored structure is not substantially more non-conforming than the former structure.

J. Edward Surette, Jr. made motion to adjourn meeting to Thursday, June 2, 1988. The meeting adjourned at 11:10 p.m. with 144 in attendance.

ANNUAL TOWN MEETING FIFTH SESSION JUNE 2, 1988

Moderator Harrington called the meeting to order at 7:32 p.m. in the auditorium of the Wakefield Junior High School, 525 Main Street, Wakefield. He recognized the pages and cautioned the voters to hold their yellow slips while voting. The Moderator recapped the last action of the former session, recognizing Sam Benedetto, who moved to amend Article 33, Section 4.P. The motion to amend was defeated. The vote was: Yes 63, No 118.

Roland Cote moved that the main motion of the Planning Board under Article 33 be amended by adding to Section 6C, Multifamily Dwellings, Subsection 7b: "The conversion shall meet all building codes. Fire, Safety Health regulations and other sections of this zoning bylaw, motion to amend required a $\frac{2}{3}$ vote. Motion carried.

Ben Barsanti moved that the term "Height of Building" under definitions, be amended by adding thereto the following sentence: "Any berm or earth structure changing the grade of the ground shall be added to the elevation of the building to determine its height under the zoning law." A $\frac{2}{3}$ vote required. The motion was passed by a strong majority vote.

The main motion of Article 33 carried at 9:45 p.m. The vote was: Yes 153, No 61. Two-thirds satisfied.

Boston, Massachusetts

September 6, 1988

The foregoing amendment to the zoning bylaws adopted under Article 33 of the warrant for the Wakefield Annual Town Meeting that convened May 16, 1988 is hereby approved.

S/James M. Shannon
Attorney General

The complete zoning bylaws as amended is available in booklet form at the Wakefield Town Hall.

ARTICLE 34

To see if the Town will vote to instruct the Moderator to appoint a committee of seven (7) citizens to be called the Town Parking Garage Committee for the purpose of determining the feasibility of locating and constructing a parking garage within the Town of Wakefield; and to determine the availability of state or federal funds to be applied in whole or in part to such project, and in connection therewith, to make application to the appropriate federal or state agency for such grant or grants; and further, that the Town Parking Garage Committee be authorized to enter into a contract or contracts with any persons or firms to assist in the application process, or to perform any necessary or required engineering, architectural or appraisal services in connection with such application process, and to report to a future Town Meeting; and to provide therefor, that the Town raise and appropriate or transfer from available balances a sufficient sum of money, or to take any other action relative thereto.

Board of Selectmen

On motion by Finance Committee:

Voted: Indefinite Postponement

ARTICLE 35

To see if the Town will vote to authorize the Board of Assessors to use such sum of the balance of the Operating Fund of the Municipal Light Department as of June 30, 1987 as the Board of Light Commissioners may vote, in computing the tax rate for the fiscal period July 1, 1988 to June 30, 1989.

On motion by Finance Committee:

Voted: That the Town return to the Town Treasurer the sum of \$273,500.00 from the balance in the operating fund of the Municipal Light Department as of June 30, 1988, and to authorize the Assessors to use said sum in computing the tax rate for the fiscal period ending June 30, 1989. The balance remaining in the operating fund as of June 30, 1988, after the transfer shall be retained in the operating fund and subject to further Town Meeting action.

Selectman Charles Curley moved that the annual town meeting be dissolved at 10:06 P.M. There were 251 in attendance.

Temporary Town Clerk

SPECIAL TOWN MEETING — DECEMBER 19, 1988

Moderator John Harrington called the Special Town Meeting to order at 7:35 p.m. On motion by the Finance Committee, it was voted that the reading of the warrant with the exception of the Constable's return be dispensed with.

Mr. Harrington thanked Dan Blanchard, Chairman of the High School, Social Studies Department, for providing the pages, history class students Patrick Curley and Steve Hoey. The duly sworn tellers were announced. Thanks and appreciation were also extended to Thelma E. Rennard for her services at the May Annual Town Meeting. Al Webber was fondly remembered for his many years of faithful service as Senior Warden at Town Meetings.

Moderator Harrington was happy to have Town Clerk Virginia M. Zingarelli back, and recognized her for the reading of the Constable's return.

Finance Committee Vice-Chairman Philip McCarty proceeded with the discussion of Article 1.

ARTICLE 1

To see if the Town will vote to authorize the Police Department to purchase three (3) cruisers in replacement of three vehicles currently in service, and to provide therefor that the Town raise and appropriate, or transfer from available balances a sufficient sum of money, or to see what the Town will do about it.

Board of Selectmen

On motion by Finance Committee:

Voted: That the Town transfer from the Excess & Deficiency Account the sum of \$32,260. for the purchase of two (2) Police Cruisers after the trade in of two (2) vehicles currently in service.

ARTICLE 2

To see if the Town will vote to raise and appropriate, or transfer from available balances, a sufficient sum of money for the installation of a new roof at the Lucius Beebe Memorial Library building, said sum of money to be used in conjunction with any state or federal grants or sums in reimbursement; and that the Trustees of the Lucius Beebe Memorial Library be authorized and directed to apply for, receive and expend, any federal or state grant or reimbursement for the cost thereof; and upon award of such grant or sum in reimbursement, to invite proposals and bids, and to enter into a contract or contracts to accomplish the foregoing, or to take any other action relative thereto.

Library Trustees

On motion by Finance Committee:

Voted: That the Town transfer from the Excess & Deficiency Account the sum of \$20,150. for the installation of a new roof at the Lucius Beebe Memorial Library Building, said sum of money to be used only in conjunction with any State or Federal Grants, and that the Trustees of the Lucius Beebe Memorial Library be authorized and directed to apply for, receive and expend any Federal or State Grant, and upon award of such Grant, to invite proposals and bids and to enter into a contract or contracts to accomplish the foregoing.

ARTICLE 3

To see if the Town will vote to raise and appropriate or transfer from available funds (Water Revenue) a sufficient sum of money to supplement the current Water Division Budget, or take any other action in relation thereto. *

Board of Public Works

On motion by Finance Committee:

Voted: Unanimously that the Town transfer from the Water Surplus Revenue Account the sum of \$27,500. to supplement the Fiscal 1989 Water Division Budget as follows:

Personal Services	\$ 6,000	
Materials & Supplies	11,000	
Contractual Services	<u>10,500</u>	
		\$27,500

Moderator John Harrington recognized Selectman James Scott who moved that this Special Town Meeting be now dissolved. It was so voted at 8:25 P.M. There were 116 voters in attendance.

Report of the Town Treasurer

To the Citizens of Wakefield:

I herewith present my report for the year ending December 31, 1988:

TRUST FUNDS

The Trust Funds now in the hands of the Treasurer are as follows:

Old Cemetery Trust Funds	\$ 6,650.00
Library Trust Funds	41,822.74
Park Trust Funds	21,472.06
School Trust Funds	9,000.00
Various Trust Funds	28,030.63
Perpetual Care Investments	576,356.00

During the fiscal year 7-1-89 to 6-30-90
the following loans will fall due and are
to be included in tax levy:

Electric Bonds Principal	50,000.00
Electric Bonds Interest	7,603.75

We are pleased to report that the interest
earned from 1-1-88 to 12-31-88 is as follows:

Investments	606,677.36
Trust Funds & Perpetual Care	65,727.74

Respectfully submitted,
PAUL LAZZARO
Treasurer

Report of Contributory Retirement Board

There were two hundred eighty-six retirees or their beneficiaries receiving payments from the Contributory Retirement System during the year 1988. Thirty-nine retirees receiving disability benefits, ten beneficiaries received accidental death benefits, forty received survivors benefits, and one hundred ninety-seven received superannuation retirement benefits.

The total payments amounted to \$2,102,065.23 of which \$1,898,057.52 was paid from the Pension Accumulation Fund and \$204,007.71 from the Annuity Reserve Fund.

WAKEFIELD CONTRIBUTORY RETIREMENT SYSTEM

Seventy-Fourth Annual Report of the Town Accountant

FOR THE FISCAL PERIOD ENDING JUNE 30, 1988

The total cash expenditure processed by the Town Accountant's office amounted to \$62,996,677.21.

The total cash receipts amounted to \$62,112,983.07 which indicates the necessity for serious attention and consideration in this area of the Town's financial program.

The records of the Town Treasurer have been examined and found to be in agreement with the accountant's balances.

The operating cash balance as of June 30, 1988 is as follows:

Revenue Cash	\$ 1,525,481.13
Federal Revenue Sharing Cash	41,637.19
Employees' Group Health Insurance Claims Trust	10,784.06
HUD Community Development Block Grant	2,247.06
Main Street Program Grant	2,308.83

Trust Funds have been checked by examination of Securities, Savings Bank Accounts and Deposit Books.

Funds of the Contributory Retirement System have been verified by examination of Bank Books, Securities, and Checking Account.

Balance was in agreement as of December 31, 1987 with the Accountant's balance. Funds are invested as follows:

Checking Account	\$ 597,796.73
PRIT Cash Fund	160,915.04
PRIT Capital Fund	11,709,405.86

All cancelled, permanent, and temporary loans paid during the year by the Treasurer have been examined and found to be as reported.

A general financial audit of the Town of Wakefield, for the fiscal year ending June 30, 1988, was performed by Peat, Marwick, Main & Company, certified public accountant, Boston, Massachusetts. The complete financial statements of the Town, together with the report of Peat, Marwick, Main & Company are on file in the office of the Board of Selectmen and are available for review upon request during normal business hours.

JOHN J. MCCARTHY
Town Accountant
